PASTORAL MESSAGE FROM FR. SUBI THOMAS

Happy Father's Day to all our Fathers!

Today we celebrate, congratulate, and pray for the men who continue to reflect the Divine qualities of fatherhood as they lovingly establish, nourish, and maintain their families. Fathers are a blessing, and we thank them for blessing us with lives of dedication, endurance, and love.

There are a plenty of reasons to feel glad to have a father like the one you have. First in childhood he makes the life a delightful one for his children and when they grow up, he gives us so many beautiful memories. Each one of us may have at a point in life felt that, without your father, it would not have been such a beautiful life as it is today.

The greatest gift I ever received came from God; I call him Dad. He is my superman. I have a million things to say about him. I can proudly say with total conviction, that he is more than just my father. He is my muse, my personal superhero, and my friend.

As a priest I have often been called "Father", which I enjoy the most, but there is nothing as wonderful as to be called "Daddy." I remember a coffee cup that said "Any man can be a father. It takes someone special to be a Dad." Today is about those men who not only fathered children but became Dad to their children and fathered them in a way that gave them a real lease on life. The Father of the family represents and reflects the image of God the Father. Today's world is in need of godly fathers. The potential impact of a godly father is almost immeasurable. We need Dads who grow in their own relationship with the Lord, build fulfilling relationships with their wives and kids, and pass on the Catholic Faith to their children.

Fathers are children's primary influencers in the Faith. Not the religious education teacher, not our parish's priests, not even their own mothers. You are. Studies have shown that when a father does not practice his faith in front of his children, there is only a very small chance that the children will themselves be religious as adults. Your role as a father matters in the eternal salvation of your child.

To the world, you are a dad. But to your family, you are the world.

Fr. Subi Thomas

STAFF SPOTLIGHT

From Lori Gullikson:

It is hard to believe it is already the end of the school year! The Religious Education Program had such a fruitful year, as we were able to return to a somewhat "normal" formation year together.

It has truly been a blessing getting to know the wonderful catechists, parents, and students in the Sheboygan South Catholic Parishes Programs. With that said, I have bittersweet news to share with you all. After much consideration, I have decided to return to the classroom in the fall as the second-grade teacher at Christ Child Academy. This was not an easy decision, but one that best suits my passion for sharing my faith with children every day.

The past three years as Co-Director of Christian Formation have been a blessing and I am grateful to my dedicated team and volunteers for their unwavering commitment to our programs.

I appreciate your ongoing support and prayers as I continue on my faith journey. Peace and blessings to you all!

Help Needed For Grand Raffle and Social

The Sheboygan Southside Catholic Parishes are looking for leadership from all three parishes and Christ Child Academy to have a Summer Tri-Parish Social and Grand Raffle on Sunday, August 14th.

To in order to have this event we need your help organizing and running the event. We are especially in need of a representative from Immaculate Conception Parish and Christ Child Academy.

If you are interested please call the Parish Office at (920)457-1077 or email the office at: triparishoffice@catholicsouthside.com

Is your loved-one in the hospital, nursing home or homebound?

We would like to be able to minister to our parishioners who are in the hospital, nursing homes or homebound. Unfortunately, it is very difficult to keep our parishioners addresses up to date.

Part of the reason for this is:

HIPPA (The U.S. Health insurance portability and Accountability Act), provides for patient privacy in hospitals and nursing home. What that means is that no one will be given information about patients without the patients consent. It also means that even though patients are asked about their church during the admission process, no one from the hospital or nursing home will contact the parish.

If you or a loved one has been admitted to the hospital or admitted to a nursing home or find yourself or a loved one confined to home, please call the Parish Office at 920-457-1077 so we can update the address records and arrange pastoral visits.

STEWARDSHIP THOUGHTS

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Wealth

Question:

If one's gift or talent is making money, and one uses that money for honorable purposes, is it considered a spiritual gift? What does our faith teach us about wealth and stewardship?

Answer:

Jesus said it best: to whom much is given, much is expected. All gifts come from God, and our abilities are given to us to be used for the benefit of ourselves and of others and at the service of the Gospel. In an article entitled "The Many Faces of Stewardship," Catherine Doherty wrote about stewardship in the "nitty-gritty everydayness of my life," and about the currency or "money" of spiritual stewardship: love, understanding, and unselfishness.

For a gift to have a spiritual benefit, our intention and involvement would be part of the consideration. If I give money to a charity, but do so in order to gain a tax advantage, it could hardly be a virtuous thing on my part. But if I give because I want to help and, in fact, am even willing to get involved, I have committed myself in a deeper, more meaningful way. Regardless of our money-making talents, in the end, true stewardship comes down to how well we practice the virtues of faith, hope, and love within our life and with those in our community and church. Ultimately, the most important element in stewardship is not intangible—it's you!
