PASTORAL MESSAGE FROM FR. PAUL FLISS

This past week, the Sheboygan South Catholic Parishes held our first “All Commissions and Committees Meeting Night.” This is a new structure for us, but other parishes within the Archdiocese have been using it for decades.

The schedule for the evening includes:

6:00pm—Prayer in Church

6:15pm—Individual Commission and Committee meetings

7:30pm—Large group Updates and Pastor Report with snacks *and* social time.

There are many advantages to this structure, including: Less committee time for parishioners and staff, no burnout for those previously on multiple commissions, greater interaction and communication between all parish groups, ability for clergy to move from commission to committee and be more present to all groups, and an opportunity for greater fellowship and collaboration within our parishes. Thank you for all our leadership groups for being willing to enter into this new structure. And I invite others to consider becoming a member within one of our multiple commissions and committees within our parishes.

Fr. Paul Fliss, Pastor

STAFF SPOTLIGHT

From Monica Virant:

This July begins my 45th year as the organist for SS. Cyril and Methodius. I would like to take this opportunity to thank you all for this gift. I truly treasure my work with our Beautiful Choir serving God in this great parish.

I asked Father Paul for ideas to write about in this article and he said to write about what makes SSCM great....It's our history and ancestors who built this Church literally from the ground up, it's our Slovenian heritage that the Slovenians who are still here treasure....look up Slovenian Mass on YouTube and watch one...every now and then you'll hear a song that our Choir sings...it's really neat to hear.

It's our commitment to serve our God, even sometimes with firm resolve...yes, Slovenians can be stubborn. All in all, we are not here to lead so much as to follow the path that has already been set before us by Jesus. He never promised it would be easy, but promised not to abandon us either. God's Blessings and have a great summer.

We are still in great need of new members, especially starting in Fall (September) for practices. I can't do it without YOU!

Once again, Thank You so very much for allowing me to serve you.

Monica Virant

July Outreach

Franciscan Peacemakers

Franciscan Peacemakers is the parish outreach charity for July. Since 1995, Franciscan Peacemakers has been interrupting the violence of the streets by offering a way toward healing. This healing way does not involve prison or the revolving door of the criminal justice system.

Instead, this way offers a radical and loving approach: providing safe long-term housing and meaningful work in a loving, supportive and caring environment. This healing way offers women the chance to reclaim the human dignity that years of abuse has stripped from them. This healing way includes countless small resurrections along the way.

Your support allows Franciscan Peacemakers the opportunity to offer this radical love and support – the kind modeled by their inspirations, Saint Francis and Saint Claire.

Thank you for continuing to walk this healing way with us. Your generosity widens the path so that more women can experience what new life has to offer.

COMMISSION AND COMMITTEE SPOTLIGHT

Pastoral Council

The Pastoral Council has been diligently planning the next fiscal year for our tri-parish community, commissions, and committees. While the pastoral council advises our pastor and associate pastor on the many decisions on the future of our parish, the council also has also overseen the formation of a strategic plan that will help guide our efforts as a tri-parish in the many years to come. The strategic plan was developed over the past two years using the data received from the parish-wide survey held in 2020 and we hope to share the main goals of the plan later this year in the bulletin.

Starting in August 2022, all commissions and committees will hold monthly meetings on the same night. One recommendation from the parish survey was that the parish leadership rarely get the chance to interact with other groups. We hope that meeting together on a regular basis will allow for better visibility of our parishioners and increased access to our pastor and associate pastor.

In the upcoming year, we have new members joining the council from each of the three parishes. There is still a lot of work to be done in terms of planning and the future direction of our church. We hope that we may begin to transform our church to keep up with the needs of our fellow parishioners; welcome new and returning members; and serve our church, the greater community of Sheboygan, and the world, in God's name.

STEWARDSHIP THOUGHTS

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Guided by the spirit

There will always be something behind us and before us. Time moves on and the world continues to rotate. Will we miss that which exists right before our eyes because they are shut while we are consumed by the past or worried about the future?

When we go about whatever work God has set for us this day, large or small, we cannot get it done if we are looking behind us. Being mindful means to live for the present. It sounds like the simplest thing in the world, but we forget it (I forget it at least once every day). We must be guided by the Spirit.

What I'm talking about here is a radical abandonment of ourselves to God — over, and over, and over again. We cannot put our hand to the plough, while our eyes are looking backward at what is left behind. We cannot turn back if we are to move forward.

When we take up the yoke of stewardship, we will never be able to bear it if we rely on our own strength. When we put our hands to the plough, we will never get the job done if we look backwards at our own track record for inspiration. There is no inspiration there. Let the dead bury their dead.
