Sheboygan South Catholic Parishes Mission Statement

The Sheboygan South Catholic faith communities of Immaculate Conception, St. Peter Claver, and SS. Cyril & Methodius exist to boldly proclaim the Gospel of Jesus Christ and grow together as intentional disciples through word, sacraments, and service to transform our world in Christ's image.

PASTORAL MESSAGE FROM FR. SUBI THOMAS

This weekend, we mark a great beginning – the birth of our country. A nation based on the ideals of liberty, responsibility, godliness, and the freedom to become what God intended us to become was a new and revolutionary idea. The celebration of our nation's birthday is really a celebration of freedom. We celebrate the precious gift of freedom we have because of the price others paid. You see, we must remember that freedom isn't free. Freedom is very expensive. It has cost some people everything, including their lives. Freedom isn't free, but it is valuable.

On July 4, 1776, in Philadelphia, our Founding Fathers signed a document declaring our independence from the tyranny of those who would enslave the minds, the souls, the lives of men. But what many Americans don't realize is that with the same document, we not only declared our independence from Great Britain, we just as strongly declared our dependence upon Almighty God. The Declaration of Independence begins by proclaiming that this nation is dedicated to the proposition that all are created equal and endowed by our Creator with certain unalienable rights. Do you remember how it ends? It ends with these words: "With a firm reliance on the protection of Divine Providence we mutually pledge to each other our lives, our fortunes, and our sacred honor." The word reliance means dependence. The signers of the Declaration were staking everything on God watching over them and seeing them through in their struggle for freedom. This is a nation that was founded upon the notion that we must be free from tyranny, and we must be dependent upon our God.

If we are truly to celebrate this day we must celebrate authentic freedom, freedom that Jesus Christ gave us on the Cross by freeing us from sin. Freedom is not the ability to do whatever you want, for this is license that leads to licentiousness, permissiveness, and all sorts of evils. Freedom is the ability to choose the good so that you are free to love God above all things and love your neighbor as yourself. Killing in the name of Freedom is the deepest wound on our capacity to be truly free. We must recognize our responsibility to let freedom ring in our legislatures and courts by enacting laws that will not attack but defend our capacity to do good.

Fr. Subi

STAFF SPOTLIGHT

NEW Family Formation Ministry

Train up a child in the way he should go, even when he grows older he will not abandon it.

Proverbs 22:6

Parents are the primary educators in the Faith. The life of the entire Church is reflected in the life of the family, which is often referred to as the "Domestic Church". Parents provide a model of the faith that is built upon the bonds of love and their efforts extend outward into the greater community.

Our new Family Formation Ministry equips young families with the resources, tools, and community support that they need to be successful as primary educators. Our program is built upon 3 elements: Mass attendance, family-centered catechesis, and the practice of holy habits within the home.

We gather on the second Sunday of each month. We start by meeting on the playground at Christ Child Academy for some fun, followed by a short formation session that teaches both parents and children a lesson about our Faith. Our time together ends with Mass, celebrated as a community at Immaculate Conception.

In-between our monthly gatherings, parents and children are encouraged to practice holy habits in the home such as: prayer, character development, and the reading of scripture. Weekly videos are sent out on Saturdays to prepare for Sunday and provide parents with additional formation, inspiration and encouragement.

SOCIAL OUTREACH

Sheboygan South Catholic Parishes

July Outreach

Franciscan Peacemakers

Franciscan Peacemakers is the parish outreach charity for July. Since 1995, Franciscan Peacemakers has been interrupting the violence of the streets by offering a way toward healing. This healing way does not involve prison or the revolving door of the criminal justice system.

Instead, this way offers a radical and loving approach: providing safe long-term housing and meaningful work in a loving, supportive and caring environment. This healing way offers women the chance to reclaim the human dignity that years of abuse has stripped from them. This healing way includes countless small resurrections along the way.

Your support allows Franciscan Peacemakers the opportunity to offer this radical love and support – the kind modeled by their inspirations, Saint Francis and Saint Claire.

Thank you for continuing to walk this healing way with us. Your generosity widens the path so that more women can experience what new life has to offer.

STEWARDSHIP THOUGHTS

When God Speaks Like a Polish Grandmother

A friend of mine had a Polish grandmother who was famous for giving her children some blunt advice every time they left the house: "Eyes straight ahead. Mind your own business."

Every mother knows her children best, and this mother knew hers liked to argue and sometimes liked to show off. She knew that could lead to trouble. She could not anticipate every scenario they would encounter each time they departed from her. All she could do was distill what she knew about life, safety, and manners into a few simple words, and hand them over to her children like a set of car keys or a hastily scribbled map. In this way, a woman who rarely said "I love you" expressed her devotion. And long after she was dead and buried, her aging sons and daughters repeated these words to themselves, like a child wrapping himself in a warm blanket.

Jesus does much the same for us, in many portions of the Gospels. "Ask the master to send out laborers for his harvest...Carry no money...Eat what is set before you...Know that the Kingdom of God is at hand...Rejoice because your names are written in Heaven."

He knows us best – knows our strengths, but even more importantly, he knows our weaknesses. He doesn't always have the space to address each of these explicitly in the pages of Scripture, but what he can do is distill the truth of effective evangelization into a few simple words, and hand them over to us as food for our journey of discipleship. In this way, a God who addresses the entire world and every soul who ever lived also speaks intimately to each one of us.
