PASTORAL MESSAGE FROM FR. PAUL FLISS

I am continuing to present the many new ministries we have begun over the past few years within our parishes. Under our social justice umbrella, along with the St Vincent de Paul Society, active within all three parishes, we sponsor the food pantry, the meal a month program, Emmaus Meals, and our newest ministry, the Warming Center during winter. All of these ministries provide direct service to those in need. New this coming year, the St Vincent de Paul Conferences within our collaboration will be partnering with Christ Child Academy offering school information to the families we visit with grade school age children.

In Formation, we continue to have an exemplary status Catholic grade school, Christ Child Academy. Our grade school and high school ministries are growing rapidly now as we have stabilized the programs, and have begun to offer more options for service and other retreats and activities.

Our Rite of Christian Initiation of Adults program is now running year-round, and already for next Easter we look to have as many as 15 to 20 people celebrating the sacraments at Eastertime.

Finally, we have started multiple opportunities for Adult Formation, both on the weekends, through our Sunday Experience, and during the week, with bible study opportunities, and other offerings beginning in September.

Fr Paul

STAFF SPOTLIGHT

Frederick Strassburger

With a last name like Strassburger most people ask me if I am 100 percent German. My mother's parents came to the US in the early 1920's from Germany and as did my father's great grandparents. A few years ago, I decided to do a DNA test to see what the results would be. I always knew that I was German, but you quickly discover that there are other small percentages of mixed ancestry. Mine turned out to be 68 percent German and the other 32 percent was a mixture of European ancestry.

My family was always very German, especially since my German grandmother lived with us. My parents joined the German Society in Peoria, IL and were quite involved.

In high school I became a Schuhplattler and danced at the German picnics while the German Polka Band that my father was in played along. When I first applied for the director of music at St. Peter Claver, my parents were happy that it was first founded by German immigrants. In 2014 I was asked to become the director of the German Concordia Singers of Sheboygan, and I'm sure that my heritage and all my musical training was preparing me to step into this role.

ANNUAL MISSION APPEAL

This year our annual mission appeal will be from Fr. Subi's Order, The Missionary Congregation of the Blessed Sacrament. Fr. Subi's long time friend, Fr. Bobby will be speaking at our parishes on behalf of the Order.

The Missionary Congregation of the Blessed Sacrament is a religious congregation of men in the Catholic Church committed to the service of God and their brethren.

It was founded on 7 May 1933 in Kerala, India. Since its founding, the Congregation has extended its mission territories to different parts of India and abroad.

We began our mission in Tanzania, Africa in 2009, at present we have 22 priests and 26 nuns working in this mission. We are engaged mainly in pastoral, education, health care and social work activities. We have 8 large parishes and 82 outstations, and around 65,000 people benefit from our mission work in Tanzania.

Ministries (projects) that the Order is working on are:
Pastoral Ministry, Clean Drinking Water, Agriculture, Assistance for Women and Children, Food Supply for the Elderly, Homes for the Homeless and Tutition Programs.

Fr. Bobby will be preaching at all three parishes the weekends of July 9 & 10 and July 16 & 17, to explain the work of the Missionary Congregation of the Blessed Sacrament.

There will be envelopes in the pews for your donation to the Mission Appeal. If you wish to write out a check, please make it out to your Parish.

STEWARDSHIP THOUGHTS

What Jesus Doesn't Say

"If Jesus wanted us to (fill in the blank), he would have said so."

We hear this argument applied to every controversial topic under the sun — and even some not-so-controversial topics, too. Whenever someone is trying to make a case for a decision they have already made, they call in Jesus' scriptural silence on the matter as their expert, unimpeachable witness.

And sure, there's much Jesus doesn't talk about in the Gospels. But by this logic, we would have to assume that Jesus doesn't care, for instance, if we drive well over the speed limit (he doesn't discuss cars and highways in the Bible) or what we do online (he never mentions the Internet or websites at all!), when we know that certainly is just not the case.

Like the scholar of the Jewish law who challenges Jesus to define who exactly his "neighbor" is, we can argue semantics all we want. But if we rest in prayer and look deep into our hearts, we know what path we need to take, and it's usually not the easy one.

I find that I do this plenty in ways that are far more subtle. I lament that the situation facing me is not sufficiently "black and white." I become frustrated by the shades of moral grey and toss up my hands, claiming I don't know what the right answer is, insisting that I can't be blamed for the ramifications of whatever decision I make.

What I need to be doing in these situations is asking God for His guidance, even if it makes me nervous. I need to be like the scholar. He was brave enough to ask, even though I think he knew he wouldn't particularly like the answer. Let's strive for that same courage.
