Pastor's Corner by Jennifer Miller

Dear Friends of St. Damian,

I am honored I am able to address you this week. Ever since I was a student at St. Monica's Elementary School in Mishawaka, IN, this has been one of my favorite weeks. We celebrate our students, teachers, volunteers, nation, families, parish, and our religious orders. We truly celebrate everyone!

National Catholic Schools Week is our annual celebration of what makes education at St. Damian School outstanding.

Starting with the Sunday Mass today, we have a whole week of activities planned to show what our students are accomplishing and to celebrate the community we have built to educate tomorrow's citizens and church leaders.

The theme of our celebration is "Catholic Schools: Faith. Excellence. Service." This theme encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, educators are growing with them. In Catholic schools, we are all learners, servants and leaders.

These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed. The theme also focuses on key elements of Catholic education: faith development, academic excellence and dedication to service. These elements set Catholic schools apart from other educational options. They are why families make choices to provide their children with a Catholic education. St. Damian students learn about their faith development and community service projects.

We invite you to let your friends and neighbors know about us, particularly those who may be considering Catholic education for their children.

I am grateful every day for the teachers, staff, board members, parents and volunteers who make our school a success. National Catholic Schools Week is the perfect time for all of us to thank them for their dedication and service.

Cheerfully in Christ,

Jennifer J. Miller
Principal

Principal Miller very deservedly received the "Heart of the School Award" during Catholic Schools Week of 2021 for her passion and dedication to the students, teachers and faculty of St. Damian School in a most challenging time!

Holy Hour for Vocations - Saturday, February 5th

Join us as we host a Holy Hour using the Historic Monstrance from the 1926 International Eucharistic Congress! This incredible Monstrance was a gift from Pope Pius XI to Cardinal Mundelein. This Monstrance was used in a Eucharistic Procession at Mundelein Seminary, with nearly 800,000 people in attendance. We are blessed to be able to have this Monstrance at St. Damian for Eucharistic Adoration and Benediction.

All are welcome to attend this morning of prayer as we give thanks to Almighty God for the gift of our vocation. We especially pray for an increase of vocations to the priesthood and in thanksgiving to the priests who have dedicated their lives to God and the Church.

9:00AM - Mass

9:40AM - Short talk on the historical significance of the monstrance

10:00AM - Holy Hour

11:00AM - Benediction

Catholic Schools Week

Is it a school with a parish, or is it a parish with a school?

It is a good question, because our parish communities have a mandate from the Gospel to preach the good news. Moreover, that is exactly what a good Catholic school does. It is another one of the ministries of a parish: to educate well-rounded individuals in Gospel values, preparing those young individuals to take their eventual place in the larger secular community. All the educational efforts of the parish school are focused on the life of faith. That faith is formed in knowledge of the teachings of the Church and of the Gospel, and those qualities are demonstrated through a life of service to the community.

A Catholic school is a community of faith, knowledge, and service, as a ministry of the parish community; and Catholic Schools Week provides a wonderful opportunity for us to reflect on whether we have "a school with a parish, or a parish with a school," and make sure our parish school is living its mandate from the Church.

PRAYERS FOR OUR FAMILY AND OUR CHURCH

If we took a survey of every parishioner and asked what subject would be at the top of their prayer requests, it would be a prayer for their family. And very likely, many of the prayers would be that a family member would return to church or that they believe in God.

We all know there's strength in numbers. Many examples of this are found in nature. Wolf and lion packs overwhelm animals that dwarf them, because they move as a single-minded goal oriented unit. Corporations stress the importance of teamwork as do sports teams. Ergo, the common phrase: teamwork can be applied in all walks of life.

Matthew 18:20 tells us that "For where two or three are gathered together in my name, there am I in the midst of them." What better way to practice teamwork than praying together, knowing that Jesus is heart and center of our prayers.

Beginning **Friday, February 11, at 10AM, and every Friday thereafter, we will be gathering in the chapel** to pray together for our family and our church. There will be a special prayer booklet for all who choose to use it.

INTERCESSORY PRAYER

One of the many gifts that Jesus has given to His church is the gift of healing prayer. St. Damian has Prayer Ministers who have completed a formation program for this ministry. They are available to pray with you as the need arises in your life.

You may struggle with difficult and unending situations in the present – job loss, financial difficulties, physical illness, strained or broken relationships, past hurts and pain, difficult experiences from childhood or teenage years, or failed adult commitments. When in pain, you cannot be your best self. Spending time in prayer is one way to offer the pain to Jesus and allow Him to begin a healing process.

Intercessory Prayer is time offered to you and your prayer needs. It is focused and more in-depth prayer and takes place in a private and confidential setting. It DOES NOT take the place of counseling or the Sacraments (Reconciliation or Anointing of the Sick), and is not spiritual direction. Intercessory prayer IS NOT the solving of a problem or giving of advice.

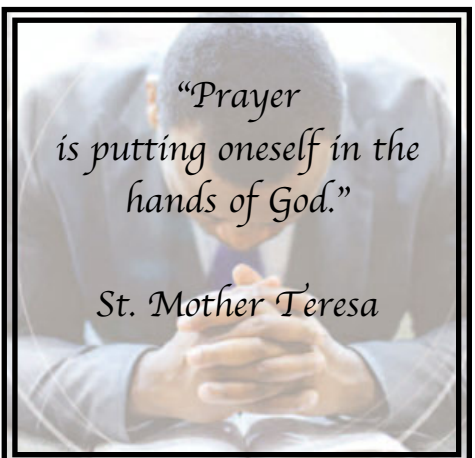

Intercessory Prayer Teams are available for prayer after Masses on scheduled weekends and after the Healing Prayer Services. (See the bulletin for dates.)

If you would like to meet with a Prayer Team for individual prayer, call the Pastoral Center to schedule an appointment, 708-687-1370, and a Prayer Minister will contact you.

Food Pantry - Who are we here for?

YOU! The St. Damian Food Pantry provides support to any Oak Forest community member in need. Clients do not have to be parishioners of St. Damian. Our clients come from all different backgrounds and needs:

- We serve those going through a job loss.
- Some have unexpected bills that have come up (medical, repair, etc.).
- Others are on fixed incomes.
- Some clients have taken in other family members.
- We have clients on disability.

The one thing we hear from all our clients is that they just need a bit of help to get them through this time. That's what our ministry is here for! All someone has to do is call the St. Vincent de Paul hotline at 708-802-0484 and leave a message. A food pantry volunteer will return your call.

Clients are added to our distribution list for 4 months. After that, clients have to option to continue with our services. We offer delivery or a pick-up option on our distribution day. Please call if you could use our services or pass on our information if you know someone who could.

Food Pantry - Donation Reminders

We can only accept non-perishable food items (nothing that requires refrigeration/freezer). We also cannot accept any items that are open or expired.

Thank you for keeping the pantry well-stocked!
