Dear parishioners,

Last week we heard from Kate Shay, Director of the Open Door Café, about the work of the Café, where God meets those in need and provides for them. Through the work of dedicated volunteers and staff, the Café provides a nourishing meal, a supportive atmosphere, and ultimately, an encounter with God's healing love.

But physical food is only the beginning – food is certainly a sign of God's love, but ultimately the human heart wants more: to encounter the living God, to feel God's presence, to be drawn into the work that God is doing on earth. That is what we long for! And so, we hear the words of Pope Leo, offered on Corpus Christi one year ago: "Dear friends, Christ is God's answer to our human hunger, because his Body is the bread of eternal life: Take this and eat of it, all of you!"

Christ meets us in the Eucharist, the consecrated bread and wine where he is present – body and blood, soul and divinity. There, as we receive him, Jesus offers us his whole presence and feeds our souls with that encounter with him.

I invite you to come today, **Sunday, June 7, at 2 PM as we walk from the Cathedral to Old St. Mary's with the Blessed Sacrament and celebrate the gift of the Eucharist.** These processions always begin with honoring Christ and end with fun encounters with your fellow parishioners. **Come and see! I invite you to begin coming on Thursdays to Eucharistic Adoration from 7 AM to 7 PM.** Let Christ surprise you with an interior peace that you didn't know was possible.

I invite you to recognize within yourself that hunger for God, and to know that God intends for that hunger to be fulfilled in encounter with him.

May God bless you,

Fr. Edward

Queridos feligreses,

La semana pasada escuchamos a Kate Shay, Directora del Open Door Café, hablar sobre la labor del Café, un lugar donde Dios sale al encuentro de los necesitados y provee para ellos y ellas. Gracias al trabajo de voluntarios y personal dedicados, el Café ofrece una comida nutritiva, un ambiente de apoyo y, en última instancia, un encuentro con el amor sanador de Dios.

Pero el alimento físico es solo el comienzo; si bien la comida es ciertamente un signo del amor de Dios, en el fondo el corazón humano anhela algo más: encontrarse con el Dios vivo, sentir su presencia y ser partícipe de la obra que Dios está realizando en la tierra. ¡Eso es lo que anhelamos! Por ello, hacemos nuestras las palabras del Papa León, pronunciadas hace un año en la fiesta del Corpus Christi: "Queridos amigos, Cristo es la respuesta de Dios a nuestra hambre humana, pues su Cuerpo es el pan de vida eterna: ¡Tomen y coman de él todos ustedes!"

Cristo sale a nuestro encuentro en la Eucaristía, ese pan y ese vino consagrados en los que Él se hace presente: cuerpo y sangre, alma y divinidad. Allí, al recibirlo, Jesús nos ofrece su presencia plena y alimenta nuestras almas mediante ese encuentro con Él.

Les invito a unirse a nosotros hoy, **Domingo 7 de junio, a las 2 PM, para caminar en procesión desde la Catedral hasta la Iglesia Old St. Mary portando el Santísimo Sacramento y celebrar así el don de la Eucaristía.** Estas procesiones comienzan siempre rindiendo homenaje a Cristo y concluyen con momentos de grata convivencia entre ustedes, hermanos y hermanas feligreses. **¡Vengan y vean! Asimismo, los invito a comenzar a asistir todos los Jueves a la Adoración Eucarística, de 7 AM a 7 PM.** Permitan que Cristo los sorprenda con una paz interior que jamás creyeron posible.

Los invito a reconocer en su propio interior esa hambre de Dios, y a saber que es la voluntad de Dios que esa hambre sea saciada mediante el encuentro con Él.

Que Dios los bendiga,

P. Edward

Care Creation Team Monthly Reflection

"The human environment and the natural environment deteriorate together; we cannot adequately combat environmental degradation unless we attend to causes related to human and social degradation. In fact, the deterioration of the environment and of society affects the most vulnerable people on the planet: "Both everyday experience and scientific research show that the gravest effects of all attacks on the environment are suffered by the poorest". For example, the depletion of fishing reserves especially hurts small fishing communities without the means to replace those resources; water pollution particularly affects the poor who cannot buy bottled water; and rises in the sea level mainly affect impoverished coastal populations who have nowhere else to go.", Laudato Si' Encyclical.
