## From The Pastor's Desk

**Why can only Catholics Receive Communion?**
Sometimes people ask why only Catholics can receive Holy Communion. Sometimes people object to this teaching out a sense of hospitality. Why wouldn't we invite everyone to Holy Communion? Why leave people out?

When I am asked about this practice, I often respond by pointing to the fact that the Eucharist is a Sacrament of Initiation. This means that every time we receive Holy Communion, along with receiving our Lord's Body and Blood really, truly, and actually present, we also proclaim and recommit ourselves to our belief in all that Jesus and His Church teaches (chief among them the Real Presence of the Eucharist). Therefore, if someone isn't Catholic then presumably they are also not prepared to publicly witness to the faith of the Catholic Church.

I also remind them that we are not singling them out. Rather, even as Catholics, we are meant to be in the state of Grace and free of mortal sin in order to receive Communion. If someone is not in a state of Grace than they should seek the Sacrament of Reconciliation before receiving Holy Communion. So this practice is really not an attack upon other Christians but dwells in our deep respect for this great Sacrament.

So, this particular practice is not about hospitality but much more about living in integrity. We shouldn't ask or expect someone to proclaim a belief that they do not hold or believe.

*On a related note: if you are not Catholic but wish to become Catholic, the Rite of Christian Initiation for Adults is holding an inquiry session on September 22, at 7:00 p.m. in the Parish Ministry Center. For more details see the Pastoral Sharings section of this bulletin.*

## Grandparents' Day Mum Sale

Eras Senior Network will hold a Grandparents' Day Mum sale here at St. Alphonsus after all Masses next Sunday, September 12. Funds raised support the programs of Eras, providing direct services for nearly 2000 older adults in Milwaukee County. The plants cost $10 each for an 8" garden mum (cash, check, and credit card accepted). Please contact Vanessa Harris, Outreach Manager, with any questions, 414-488-6780, or Vanessa.Harris@Eras.org.

## Consider Joining The Parish Music Ministry

As we make our way through the final days of summer, why not begin to think about joining the choir. Voices are needed for our Saturday evening and Sunday morning choirs. The Saturday choir needs men and women's voices, and the Sunday choir needs men's voices, though women are most welcome. The 11:00 a.m. choir is in need of a piano accompanist, guitarists, and a flute player. Rehearsal will begin the week after Labor Day, and the choirs will begin to sing, hopefully, in late September or October. The Hand Bell choir is also in need of a few ringers. If you read music, please contact me, and I will have the bell choir director call you. If you have been thinking about joining for awhile, why not take the step? You will meet great people, learn some beautiful music, and have one of the best seats in the church. For more information, please contact me at the parish office: terry@st-alphonsus.org, or 414-421-2442, ext. 201.

Keep a song in your heart,
-Terry, Director of Liturgy & Music

## Envelope Users - Your Attention Please

If you use contribution envelopes and received your September/October envelopes in the mail recently, please be aware that the one white envelope, located at the very back of the packet that families use to return their contributions by mail, may have the name and address of a church other than St. Alphonsus.

Although not every envelope packet had this incorrect envelope, several instances of parishioners receiving the wrong envelope were reported to the parish office. Because it did not appear to be wide-spread, we decided not to reissue the packets. The envelope company, however, has been made aware of this error.

Please check your return envelope to ensure that everything is correct on it. If it is not, we ask that you contact the parish office at 414-421-2442, or barb@st-alphonsus.org, and we will send you the correct envelope.

We apologize for the error and hope that it did not cause any inconvenience to our parishioners.

## Blessing for the Fallen of 9-11

*God of mercy,*
*In your word of Scripture, you instruct us to "Do to others as you would have them do to you."*

*Give us a heart thankful for those who gave their lives as first responders, as did the men and women who ran into danger to be of aid.*

*We ask all this in the name of the One who first responded to our need for a savior, Jesus the Christ. Amen.*

## Scouting Builds Character And Instills Values For A Lifetime!

Scouts BSA is an introduction to the great outdoors for boys and girls ages 11 through 17 and, most important, a lesson about their place in it. Scouting builds leaders. Life lessons learned in Scouting will help all of its members make good decisions throughout life.

The Scout slogan is *Do a Good Turn Daily*. That means doing something to help others each day without expecting anything in return. It implies that Scouts do their part in caring for the community and the environment. As Scouts plan activities and progress toward goals, they experience personal growth. Young men and women grow by participating in community service projects and by doing a good turn daily.

Visit **Troop 531** at St. Al's on Tuesday nights, and find out what joining that troop can offer you!

For more information, please view our website at https://www.troopwebhost.org/Troop531Franklin, or contact Rob Dahlen, Assistant Scoutmaster, at dahlenro@gmail.com or 414-659-3323.

## School Scene

The 2021-2022 School Year is off to a wonderful and successful start. We could not provide such a strong Catholic education without the support of the parish and the members of St. Alphonsus, so I thank you. Every member of the St. Alphonsus community whom I have met has been so welcoming and supportive it makes me realize more and more that the school is blessed to have such a strong parish partnership.

The start of the school year meant the return of some of the students' favorite parts of school. We have been able to bring students back into the cafeteria (physically distanced and in assigned seats), and we are once again able to celebrate Mass as an entire school. As a reminder, our school Masses are Wednesdays at 8:00 a.m. Parents and parishioners are welcome to attend. Masks are required. Our encore teaches are able to teach in their own classrooms. The beginning of the year is always full of energy, but this year in particular it feels like students and staff are excited to be back.

Please know that you can always email or call me to talk or schedule a visit. I have enjoyed getting to know our school community. Please do not hesitate to contact me. Finally, I want to let you know that I will be hosting a principal chat once a month after the 9:00 a.m. Sunday Mass. The first one will be September 26, and then every month on the fourth Sunday. This will be an opportunity to talk informally and for us to get to know each other better.

Blessings, -Russ Johnston, Principal

## Patriot Day

Patriot Day on September 11, honors the memory of the nearly 3,000 innocent victims who died in the September 11, 2001, terrorist attacks. Each year Americans dedicate this day to remembering those who died and to the first responders who risked their own lives to save others.

### We Remember:

For many, September 11, 2001, began like any other weekday. We made our way to work. Children attended school. We shopped, had coffee, waited in line at a drive-thru. Those of us who weren't in New York City heard the first reports on the radio or television. A friend or neighbor alerted us to a plane flying into one of the Twin Towers. We felt disbelief. An accident, perhaps, a miscalculation. Then, a second plane flew into the second tower. Our disbelief turned into uncertainty and concern.

Those on the ground faced terror and obstacles they had never known. As a set of coordinated suicide attacks organized by the militant group Al Qaeda targeted the World Trade Center, the rest of the nation witnessed the unbelievable. And then a third plane crashed into The Pentagon. And yet another crashed into a field in Shanksville, PA.

Every year since that fateful day, the United States comes together to remember the fallen. We remember the first responders and those who made difficult decisions. Since that day, memorials have risen from the ashes.

### Observe Moments of Silence:

8:46 AM EDT – American Airlines Flight #11 collides into the World Trade Center
9:03 AM EDT – United Airlines Flight #175 collides into the World Trade Center South Tower
9:37 AM EDT – American Airlines Flight #77 crashes into the Pentagon
9:59 AM EDT – World Trade Center South Tower Collapses
10:03 AM EDT – United Airlines Flight #93 crashes in Shanksville, PA
10:28 AM EDT – World Trade Center North Tower Collapses

## About the Christian Initiation Of Adults...

It is also for those baptized Catholics who have not been raised in the faith and who now wish to complete their Initiation Sacraments.
