Third Sunday Of Lent • March 20, 2022

From The Pastor's Desk

The Sacred Paschal Triduum

As we approach the half-way mark of Lent, I want to use this column to discuss the great liturgies that celebrate the central mysteries of our Faith.

The Sacred Paschal Triduum is its own liturgical season that lasts 3 days (hence the name Triduum). It begins with the entrance procession at the Mass of the Lord's Supper on Holy Thursday and ends Sunday night. This is why there is no formal closing to the liturgies on Holy Thursday and Good Friday.

On Holy Thursday, we celebrate the Last Supper of the Lord. This has traditionally been a very important celebration for priests. The Mass of the Lord's Supper celebrates two great and interwoven gifts that the Lord gave to His Church, the priesthood and the Eucharist! Highlights of this Mass include the Gloria, which we hear for the first time since Lent began. After the loudness of this song of praise, we enter a quieter mode until the alleluia at the Easter Vigil. After the Mass ends, we enter a period of silent adoration which reflects the silence of Gethsemane as our Lord's Passion begins.

Good Friday is marked by quiet and simplicity. This is the only day of the year when the Eucharist is not celebrated (we receive Holy Communion from the hosts which are consecrated the previous evening.) During this liturgy, we enter in silence and listen once again to the account of the Lord's passion and death (always from St. John's Gospel). This is meant to move us into the adoration of the Cross, the instrument of torture that became the instrument of our salvation.

The Easter Vigil is my favorite liturgy of the year. This liturgy is elemental; it is filled with water, fire, oil, light, darkness. The Easter Vigil is a journey through Salvation History, highlighting those key moments and messages of God's saving love for us. At this Mass, our converts are Baptized and Confirmed. If you have never been to an Easter Vigil, I strongly encourage you to come this year. It is an awesome experience!

If you come only to Palm Sunday and then on Easter Sunday Mass, you miss all of what happens between the Lord's entrance into Jerusalem and His Resurrection! Please plan to join us!

Holy Thursday, April 14, 7:00 p.m.—Mass of the Lord's Supper
Good Friday, April 15, noon—Celebration of the Lord's Passion
Easter Vigil, April 16, 8:00 p.m.—Easter Vigil

Wills, Trusts And Power Of Attorney - Ensuring a Legacy Of Love For Your Family

Creating a Legacy

More than 50 percent of Americans do not have a Will. A Will is a vital piece of your estate plan, as it allows you to control how

your loved ones are provided for after your death. There are other elements of an estate plan, such as Trusts, Life Insurance, etc. You are never too young to have an estate plan in place. But, how do you do that? What options are available to you? Join Stephanie Mares, parish member and attorney, as she explains Wills, Trusts and other important strategies and documents such as Power of Attorney and Power of Health Care.

Save the Date - Thursday, May 19, 2022, 9:00-10:30 a.m. * or 6:30-8:00 p.m. (Same presentation will be at both times); Parish Ministry Center, Room 104; Register to assist with seating at 414-421-2442 x225.

* note: correction to end time listed in Adult Learning Program Winter/Spring flyer

Just Under 1,200 Census Forms Received!

Thank you for helping the parish with the 2022 Parish Census! Don't miss out! If you still have your form at home, please return it to the box in the Church Gathering Space or mail it to the Parish Office at 5960 West Loomis Road, Greendale, 53129. We appreciate your support with this project.

Question Of The Week

Theme: Lent calls us to conversion.

Question for Youth: What needs changing in your life right now? How will you invite God into that change?

Question for Adults: What steps are you taking this Lent to make sure that your faith bears fruit in good works?

- Fr. Kevin

Saint Of The Week

St. Oscar Romero | March 24

When St. Oscar Romero was appointed Archbishop of San Salvador in 1977, his country was in chaos. Many people in El Salvador were living in poverty, while a smaller elite group controlled all political and economic power. In 1980, El Salvador broke out in a 12-year civil war that left over 75,000 people dead. Saint Oscar Romero set up pastoral programs to assist the victims of oppression. He also became an outspoken advocate for human rights, appealing to the Salvadoran military to stop killing their own citizens.

On March 24, 1980, St. Oscar Romero was murdered while celebrating Mass in El Salvador. A car pulled up outside, and a gunman fired a single shot straight into St. Oscar Romero's heart.

Calling him a "a martyr for the faith" nearly 40 years later, Pope Francis canonized him in 2018. For the occasion, Pope Francis chose to wear the same blood-stained belt that Romero was wearing at the altar when he died.

School Scene

The third grade students completed a Nonfiction Biography report. They chose a Who Was or Who Is book of their interest from our classroom library.

These books are full of information, pictures, and facts that make them fun and engaging to read. We spent time reading about historically significant individuals in our world. Students then created a book with the information they read and learned about including details about their early life, education, current life or death, and the impact they have made.

The students had fun sharing their reports to the class when they were finished. It is important for students to learn more about the important inventors, leaders, scientists, artists, and important people of our world.

3rd Sunday of Lent

Deserts can be lonely, isolated, and treacherous places. When a person wanders in a desert, they can easily get disoriented, dehydrated, confused, lost, and vulnerable. Temptation is at its peak, especially when confronted with something that may offer some respite or relief, even a mirage. Deserts can bring us to our weakest moment and tempt our faith. The Christian journey can be described as a desert experience as we vacillate back and forth, falling victim to the mirages of our lives versus the true, life-giving water offered by God. We need a burning bush experience in our lives that convinces us of the power of God and reveals Him as the "I am" of all existence.

Moses was leading his flock across the desert when he found himself at Mount Horeb. Mountains give us a fuller perspective of life, a panoramic view of what would otherwise be hidden from the limitations of our sight. That's when Moses met God. We have to find our way to a mountain experience where our vantage point can take on a wider view of life. Many things can do this for us: the birth of a child, the death of someone we love, the joy that comes from marveling at the beauty of God's work, the pondering of life's mysteries, and the ache of longing found deep within our souls. There are many things in life that can wake us up, give us a clearer, better view of things and become occasions where a bush may burn and God's presence as the eternal uncreated One is revealed.

God is very patient and gives us the time and space we need to figure things out and bear some good fruit. He doesn't rush to cut us down or get frustrated with our barrenness. But we have to remember that the desert journeys of our lives come with some risks. The major risk is that we will mistakenly believe that the mirages are real. Thus, we fall victim to thinking that the respite and refreshment we seek is discovered in a place other than where it actually is. Our faith and the life of the Church are the safeguards we need to keep us properly orientated so that we don't get lost or confused and stay on course.
