Making the Most of Lent

There are so many opportunities available for us to make Lent special. This year I decided that I would attend ALPHA. This meant a ten-week commitment.

Deciding to attend the ALPHA sessions was the best decision I could have made. Each session begins first with a meal, then a video and then discussion of the video in a small table group.

ALPHA is an opportunity to grow in our faith and love for God. It's about sharing God's love through relationships. The ten sessions are as follows: Is there More to Life Than This; Who Is Jesus; Why Did Jesus Die; How Can I Have Faith; Why & How Do I Pray; Why & How Should I Read the Bible; How Does God Guide Us; How Can I Resist Evil; Does God Heal Today; and How Can I Make the Most of the Rest of My Life.

Our small table group has prayed together, shared our faith experiences and shared how God has been there for us. We worked on a personal timeline at our retreat this weekend. After completing the time-line we were in awe to see how God has played such an important part in our lives. Through our sharing our small table group has become like family. A small family within the larger family of our parish. If, you have a chance to attend ALPHA, jump at it. It can be a life changing experience.

Are you searching for an inner peace? I think all of us are. We all have so many stresses in our lives. I recently had an experience at church where I felt this deep sense of love. I knew immediately that this was God's love. I also knew that I wanted that.

I took some advice given by Fr. Jim during one of his homilies. He suggested going to confession and covering the sins you've made during your whole life.

I am 70 years old and I realize that my time here on earth is limited. I want to make sure I have a chance at getting to heaven so I can experience that deep love again. So, I went to confession I covered 70 years of sins. I walked out of the confessional and felt the deepest sense of inner peace. What a wonderful gift!

God's Blessings to you!
