Friends

One of my favorite movies is "It's a Wonderful Life".

If you've never seen the movie, it's about a man who questions God why he was ever born.

His life is a mess and he is about to be arrested for something he didn't do. With the help of his guardian angel, Clarence, he finds out how his life has impacted his family, his community, and some who he never even knew, people from beyond his community. He didn't realize that his simple life and his acts of kindness touched so many people. At the end of the movie, the people that his life had touched came to the rescue to help him.

Friends come and go and we wonder "WHY"?

Bits and Pieces Poem" author unknown

"People cross our lives, touch it with love and move on. These are people who leave you, and you feel great remorse and wonder why they had to go away and leave such a gaping hole. Parents leave children, friends leave friends, acquaintances move on.

Believe in God's master plan in our lives. He moves people in and out of each other's lives and each leaves his mark on the other. You find you are made up of bits and pieces of all who have touched your lives and are more complete because of it, and would be less if they had not touched you.

Accept the bits and pieces, and wonder but never question, and never ever regret...."

I have been blessed to have so many people cross my path and I am so very grateful to God for that great blessing. I thank you for crossing my path.

God Bless You!
