# GOSPEL MEDITATION

Deserts can be lonely, isolated, and treacherous places. When a person wanders in a desert, they can easily get disoriented, dehydrated, confused, lost, and vulnerable. Temptation is at its peak, especially when confronted with something that may offer some respite or relief, even a mirage. Deserts can bring us to our weakest moment and tempt our faith. The Christian journey can be described as a desert experience as we vacillate back and forth, falling victim to the mirages of our lives versus the true, life-giving water offered by God. We need a burning bush experience in our lives that convinces us of the power of God and reveals Him as the "I am" of all existence.

Moses was leading his flock across the desert when he found himself at Mount Horeb. Mountains give us a fuller perspective of life, a panoramic view of what would otherwise be hidden from the limitations of our sight. That's when Moses met God. We have to find our way to a mountain experience where our vantage point can take on a wider view of life. Many things can do this for us: the birth of a child, the death of someone we love, the joy that comes from marveling at the beauty of God's work, the pondering of life's mysteries, and the ache of longing found deep within our souls. There are many things in life that can wake us up, give us a clearer, better view of things and become occasions where a bush may burn and God's presence as the eternal uncreated One is revealed.

God is very patient and gives us the time and space we need to figure things out and bear some good fruit. He doesn't rush to cut us down or get frustrated with our barrenness. But we have to remember that the desert journeys of our lives come with some risks. The major risk is that we will mistakenly believe that the mirages are real. Thus, we fall victim to thinking that the respite and refreshment we seek is discovered in a place other than where it actually is. Our faith and the life of the Church are the safeguards we need to keep us properly orientated so that we don't get lost or confused and stay on course.

**Our  
Lenten  
Journey**

**Lent and Almsgiving**

Reconciliation is what God does. Receiving it and celebrating it is what we do. Reconciliation is the product of God's mercy. When we come to this sacrament, we are reminded that God continually frees us from whatever it is that is holding us captive. We rediscover the truth of ourselves – that through Jesus the Christ, we are one with God and one with each other. Lent has always been penitential in nature. It is a time to stop and seriously reflect on where we are in life. Are we turning away from sin and being faithful to the Gospel?

The United States Conference of Catholic Bishops tells us that the Sacrament of Reconciliation not only frees us from our sins but also challenges us to have the same kind of compassion and forgiveness for those who sin against us. We are liberated to be forgivers. To be reconciled with God entails being reconciled with family, friends, and neighbors. In the words of the Prayer of St. Francis: "It is in pardoning that we are pardoned". The opportunity to confess our sins and acknowledge our weaknesses is a gift from God entrusted to the Church. It is a holy moment in which we place ourselves in God's presence and receive his mercy in absolution. "Let us not grow tired of asking for forgiveness in the sacrament of penance and reconciliation, knowing that God never tires of forgiving" (Pope Francis, Lenten Message, 2022). The grace we receive can bring us peace of heart and make us stronger on our lifelong journey to the Resurrection.

At the midpoint of this Lenten season, you are invited to celebrate the Sacrament of Reconciliation at St. Matthias in a communal prayer service with the opportunity for individual confession. This will be on Saturday, April 2<sup>nd</sup> at 10:00 AM. Come, to remember that God loves you and forgives you. Come, to prepare for the Easter celebration.

"Even now, says the Lord, return to me with your whole heart." (Joel 2: 12).
