Celebrating the Wisdom of Bishop Baraga

April 8 - "Preached on the Passion of Our Lord Jesus Christ. How nice and true are these verses: With peaceful mind thy race of duty run; God nothing does or suffers to be done. But what thou wouldst thyself, if thou couldst see, through all events of things as well as he."
Bishop Baraga, 1867

"What is taking place in America," said Mother Teresa, "is a war against the child. And if we accept that the mother can kill her own child, how can we tell other people not to kill one another." February 1997—National Prayer Breakfast in Washington attended by the President and First Lady.

SAINT BERNADETTE SOUBIROUS

Feast Day April 16

At the age of 14 St. Bernadette (1844 -1879) was living in abject poverty with her family in a one-room basement which had previously been used as a jail, in the town of Lourdes in southern France. She was a sickly child, having fallen victim to Cholera in 1854 and would battle asthma and tuberculosis for the rest of her short life. Bernadette was illiterate and is

characterized in many accounts as slow or ignorant. It was in her 14th year that Bernadette was granted 18 visions of a "Lady" at a grotto in Massabielle. The Lady instructed Bernadette to come daily to the grotto to receive the visions, eventually proclaiming "I am the Immaculate Conception". A spring at the grotto, which appeared where Bernadette was instructed to dig, has been a site of miraculous healing. The Lady also asked that a chapel be built in the grotto for pilgrims. Today the Marian shrine at Lourdes is one of the world's most popular.

During and following the period of visions, the saint was examined rigorously by Church and local authorities. The popular excitement around the visions left her subject to persistent questioning and attention. Eventually she sought protection by retiring to a home for the poor in a nunnery. She took her vows in 1866 with the Sisters of Charity at Nevers. She worked as an infirmiry assistant, and later a sacristan, but by the end of her life she was too sick to participate in convent life. She died at the age of 35, humble and penitent until the end.

The Lighter Side

A little girl asked her mother, "Where did people come from?" Her mother answered, "God made Adam and Eve and they had children, and that's how all mankind was made." A couple of days later she asked her father the same question. The father answered, "Many years ago there were monkeys, which the human race evolved from." The confused little girl returned to her mother and said, "Mommy, how is it possible that you told me we were created by God, and Daddy said we came from monkeys?" The mother answered, "Well dear, it's very simple. I told you about my side of the family and your father told you about his."
