Vocation Corner

As the son of Polish immigrant, I grew up in a good Catholic home. But it wasn't until I began participating in our parish youth group that I embraced the faith as my own and fell in love with our Lord in the Blessed Sacrament. A girl I was dating went to daily Mass, and I began going with her. It didn't take long for my focus to shift from her to what took place in the sanctuary - God coming down to be with his people. I found myself with thoughts like, 'how would I preach on that Gospel'. I wrestled with the idea of becoming a priest often.... Following high school graduation, I entered seminary and eight years later I was ordained a priest. If God calls you to the priesthood, nothing on earth will give you greater joy.
