Twenty-Eighth Sunday in Ordinary Time

"Ten lepers met him. They stood at a distance ..." In the ancient world and into the Middle Ages, there was no treatment for leprosy. People thought it was wildly contagious and were suspicious of any skin diseases. Lepers were isolated from civil society. This isolation was upheld by the Mosaic Law. Should there be a healing from leprosy, the former leper was to present himself to a priest to certify the healing. Like Jesus commands, "Show yourselves to the priests." The person would then undergo a religious rite to be formally reintroduced to society. In other words, a leper got their life back. So why didn't they come back?

"As they were going they were cleansed. And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him." Of the ten lepers healed by Christ, only one returns with a grateful heart. The others, perhaps, were thankful enough. Perhaps they couldn't believe their luck, and they hastened to the priests to confirm the healing. They were more than willing to leave their life of rejection and isolation behind. Why take any steps backward, when the way ahead was so attractive? An attitude like this is perhaps understandable, but few would admire it.

How about you? Do you come back? If you've ever had the experience of getting what you hoped and prayed for, you know that this can sometimes be easier said than done. When we've wanted something badly enough, how easy it can be to focus on the gift rather than the giver. The truth is, God is daily offering us gifts: the gift of our existence, of the created world, of family and friends, of modern conveniences. Even in times of distress, there is always something to be thankful for. This Sunday, give yourself a gratitude check. Count your blessings. Glorify God and thank Him for the gift of your life.

Rosary Q & A

Question:

What is the story behind the rosary?

Answer:

The rosary is a sacred and popular Catholic devotion, but its origins are mysterious. Prayer beads to facilitate meditation began in the early ages of the Church. In the early medieval period, bead strings were used to count Hail Marys or Our Fathers. A tradition has developed that the rosary in its current form was given to St. Dominic by the Blessed Mother. However, the earliest biographies of the saint do not include this story. In the Middle Ages, the prayers were grouped into 50 Hail Marys with verses from Psalms and vignettes from the lives of Jesus and Mary. By the 16th century, the Joyful, Sorrowful, and Glorious Mysteries were established. The rosary rose to prominence in the late 1500s. The Turkish Empire was spreading across eastern Europe, and pirates were raiding Christian ships. The Christian nations of Europe rallied for a great battle at sea. Pope St. Pius V urged all Christians to pray the rosary for victory. While vastly outnumbered, the Christian fleet was victorious at the Battle of Lepanto. The pope established October 7th as the feast of the Holy Rosary. Later, all of October would come to be known as the Month of the Rosary

Food Pantry

We would like to start off by thanking all of our parishioners for their continued support. Our food pantry is ran on donations alone and without the support of our parish and our community we would not be able to help as many people as we are able to. It is now that time of season when the weather becomes colder. During the winter we go through an extremely high number of canned soup. We will be collecting

canned soup for the next 2 months. If you are able to donate please place items in the barrels located in the back of church. If you are unable to purchase the items to donate we ask that you think about a monetary donation. Thank you in advance for your donations.
