## CRS Rice Bowl

BETTER MEALS IN MADAGASCAR

In Madagascar, half of all children are undernourished. That means 50% of kids won't grow to reach their full potential. But communities are changing this by focusing on improving health and nutrition. What role has food played in your life? How can you help those who lack access to enough nutritious food. Visit [crsricebowl.org](http://crsricebowl.org) to learn more.

Please take a Rice Bowl home to be a prayerful part of your family Lent. Place your constructed CRS Rice Bowl on your family dinner table. Read the daily prayer reflections and put your financial donation into the paper Rice Bowl. At the end of Lent, place the bowl in the church collection basket. Any contribution within your means will be gratefully received by Catholic Relief Services. May God Bless you with a faith inspiring Lent!

## MQSCA News

In our school mass this week, Fr. Andrzej reminded the students of the Lenten observances and highlighted the most important one—Prayer! As we continue our Lenten journeys and try to become closer to God, I am especially reminded of how blessed we are to be in a Catholic school. We are able to practice our faith in all that we do. Together, we are able to pray as a community, embark in service to others and share our faith with one another. We do not shy away from having conversations about God and we are fortunate that we can anchor our decisions and choices in the teachings of Jesus. Each Tuesday as I sit in mass with some of our students, I am thoroughly grateful for the opportunity to break bread with the students and parishioners who attend. Of course I was also grateful that Fr. Andrzej also suggested that students 'give up' some of their screen time!! Thank you for the support and prayers you provide to our school community! In Peace, Jen Vega
