## PASTORAL COLUMN

*Scriptures: Is 60:1-6; Eph 1:2-3a,5-6; Matt 2:1-12*

The year 2020 is over. There was much darkness that we are happy to leave behind. However, when I think about dark times in my life, I am reminded of a retreat experience many years ago when I'd experienced quite a bit of loss and couldn't see any light. One night I sat for a very long time outside in the dark, eyes closed and weeping. When I had the courage to open my eyes, I saw the first one. A tiny, glimmering glow...momentary and fleeting. It was gone so quickly, I thought I had imagined it. Then...it came again. Then another, and another, and another. Soon it seemed like a thousand little flickers of light flicked and floated above the grass. Fireflies, of course. Everywhere I looked, they were there...as if shining reminders that I was not forgotten. My world was not nearly as dark as I had thought. It is amazing how much light fireflies can provide.

I stayed until the fireflies finished their flashes of fancy for the evening, and sat there a while longer, reflecting on what God might be trying to tell me.

The thing about fireflies is that they don't only exist on the grassy plains and farmers' fields of the outdoors. Fireflies exist everywhere. They live in hospitals, offices, kitchens, schools and grocery stores. Fireflies are present in our homes, our communities, our congregations and our workplaces. They shine their light in the energetic faces of children and the worn and haggard faces of older folk. You can find them in encounters with friends or foes. They make their presence known in laughter and celebration, as well as tears and loss.

I have certainly seen an abundance of them this past year. They have flitted down aisles in grocery stores and hospital hallways. They have flickered flames with a nod of acknowledgement in place of a hug. They have landed briefly to accompany us in our pain, our silence, our loneliness, our tears, our celebrations and our laughter. I have witnessed their fanciful flashes in so many ways.

They have been brilliant in the incredible generosity of human beings. It seems that no matter what darkness comes our way, in our communities, our country and our world, fireflies always rise to the occasion to touch others with the light of Christ. I am so very grateful to all of you for your kindness, generosity and love which burned bright amidst the darkness of the Covid-19 night. I know that you will continue to be the light of Christ in any darkness our future brings. That light is what I will remember most from 2020. Shine fireflies, Shine!

*Deb Hamm, Pastoral Associate*

## DIVINE SAVIOR CATHOLIC SCHOOL NEWS

Goodbye 2020, hello 2021! At DSCS we are all looking forward to a happy and healthy new year. We will be starting back from Christmas break on Monday, January 4. We are especially excited because we are looking forward to celebrating our Catholic School for the entire month of January. We will officially be kicking off our Sponsor a Classroom event. Please see the insert in the bulletin to learn how to help. Watch for fun inserts and special speakers all month.

Over the next several weeks I would like to highlight how learning happens in each of our fabulous classrooms. I think you will be surprised at how innovative, faith-filled and creative our DSCS staff is. Staff members will also highlight some needs for their classrooms in preparation for our ***"Sponsor a Classroom Initiative"*** coming in January. Perhaps you will be willing to help make their dreams come true!

### ***Featured Classroom: DSCS 3rd Grade***

For my classroom I would love a set of personal whiteboards. I use these a lot when it comes a math and practicing their multiplication facts. We will continue to use these for division and other times in math. Giving them each their own will be very helpful for keeping the sharing of materials to a bare minimum. The students also use whiteboards for spelling practice.

I am trying to make sure that students are in comfortable seats as well. Students already have disks on their chairs in order for them to get their wiggles out at their desks. Having a few wobble stools for the back table for when we work as small groups would be beneficial for them as well. The more ability they have to move around while they are still listening and learning, the better it works for them.

I would also love more storage containers of any size. It helps keep the students more organized as well as all of the classroom materials more organized. Keeping supplies separate and organized has been the key to keeping the classroom running this year.

*Anita Anderson, 3rd Grade Teacher*

### A CHILD OF THE LIGHT

**“I want to walk as a child of the light. Shine in my heart, Lord Jesus”**

Woo-hoo! A New Year! A new you? What’s that you say – a new me? You heard me right – a new you! Now I don’t mean those new year resolutions that we make on January 1 and give up on January 2. During this Christmas season (yes we’re still in the Christmas season), let’s be open to God’s call to be His people as He is our God.

Our life on earth is a journey, fraught with good and bad times, sweet and sour, happiness and sadness. But in the midst of our trials, God is our constant companion. He continues to invite us to know and love Him.

As we begin our journey of life and faith in 2021, I have come to the realization that we need to let the little children lead us as Jesus asked us to do. I’m sure you know that they have done so well throughout 2020 – wearing masks, washing their hands, maintaining social distancing in their classrooms and in the hallways – I am so proud of the example that they set for us. They are really listening to the adults/teachers/mentors who lead them in their daily lives. Hmmm, sounds like the kind of relationship that Jesus wants to have with us – we follow where he leads us, doing what he asks of us – by our actions, setting a shining example for the world.

During the next few weeks, as we move through our days, consider whether you follow the guidelines set out for us by Jesus. Will what I’m doing/thinking/saying help me become a child of the light? Or more, do I really see that everyone is a child of the light?

Jesus is already there, in our midst, in our neighbor, even in our enemy. It is we who need to recognize the Christ-light in others, and in ourselves. Let’s re-create our reality this year as we affirm: “I want to walk as a child of the light; I want to follow Jesus...The Lamb is the light of the city of God: shine in my heart, Lord Jesus.”
