PASTORAL COLUMN

Scriptures: Is 55:1-11; 1 Jn 5:1-9; Mk 1:7-11

Today we hear Mark's account of Jesus' Baptism. I am particularly drawn to the last line of today's account, where Jesus hears God's voice saying "You are my beloved Son; with you I am well pleased."

Many times, our personal image of God is rooted in our childhood memories. Many of us grew up with a harsh image of a judgmental God, almost if God is waiting to "get us." This is often the image people interpret from the events of the Old Testament. The flood, Sodom and Gomorrah, and the Tower of Babel are just a few examples in which God has often been interpreted as angry and vengeful.

And yet, at the core of our Catholic belief is that God sent his only Son to die to save us. To me, that is not a vengeful God. Rather, it is a most compassionate, forgiving and merciful God. That is the image of God I find most helpful in the struggles in my life.

I often wish that I could remember my own Baptism. Once, while on retreat, I was encouraged to picture myself in this very Gospel scene...not that I was Jesus, but that I was the one who had just been baptized. I was asked to imagine God saying those very words to me, "You are my beloved (daughter); in you I am well pleased," and to spend some time in prayer over those words. It was a powerful experience for me.

I invite each of you to do the same. Sometimes we spend so much time beating ourselves up for our failures, our sins and our brokenness, that we wonder how God could even love us. I am not suggesting that we stop praying to God to ask forgiveness for our sins. However, I believe that if we spend some more time in prayer in gratitude over our beautiful characteristics, our kindness and generosity, perhaps we can be more patient and kind to ourselves...more like God experiences us. What a difference that would make in our lives and the world.

DIVINE SAVIOR CATHOLIC SCHOOL NEWS

DSCS is happy to be celebrating our Catholic school all month long! We have so much to share with our cluster parishes. This year we are happy to say that we have 100 students in our school and a few more starting soon. We have an amazing early childhood program for students 3 years old - 5 years old. In this program we value play-based and faith-based learning. All of our students in 3K-8th grade benefit from our commitment to one-to-one technology and from our STEM trained staff. This helps our students excel academically. However, we never lose sight of our mission to incorporate Gospel values into all that we do here at DSCS.

Yours in Faith, Principal Lynn Sauer

Over the next several weeks I would like to highlight how learning happens in each of our fabulous classrooms. I think you will be surprised at how innovative, faith-filled and creative our DSCS staff is. Staff members will also highlight some needs for their classrooms in preparation for our "**Sponsor a Classroom Initiative**" later this month. Perhaps you will be willing to help make their dreams come true!

Featured Classroom: DSCS 1st Grade

First grade is one of the best grades ever. It is such a fun age and I am laying the foundations for so many skills AND I get to teach kids how to read. It is the best feeling ever when it clicks for each one – some take longer than others but it is a magical feeling every single, time.

It is my goal to help 1st graders grow academically, socially, spiritually and emotionally. I work to help them become critical thinkers and good problem solvers. My goal as their teacher is to give them the tools to accomplish the many tasks they face. I want each child to feel capable and be successful in everything they try.

I work to create a safe, caring and respectful environment for our classroom community. In showing the students how to become responsible for themselves, I aim to give them the tools to believe in themselves and carry those skills with them.

I also feel it is important to be able to share my faith as part of my daily teaching. I am so lucky because I get a hand in forming both the minds and the hearts of our children. I try to provide experiences and opportunities for them to know God has a very real place in their lives.

I am always looking for leveled books/readers to use and send home with the students. Because of the range of ability I use levels A through H on a daily basis. My classroom could also use math and language games that can be played in small groups. I would also love to update my reading center with a set of big Joe bean bag chairs - 2 blue and 2 green as well as a new rug for our classroom.

Vicki Malueg, First Grade Teacher

MOVIES WITH MEANING

Our next movie is *War Room*. It will be shown on January 18 at 6:00 p.m. in the OLL Community Room. (Please note the change of date.) Filled with heart, humor, and wit, *WAR ROOM* follows Tony and Elizabeth Jordan, a couple who seemingly have it all—great jobs, a beautiful daughter, their dream home. But appearances can be deceiving. In reality, their marriage has become a war zone and their daughter is collateral damage. With guidance from Miss Clara, an older, wiser woman, Elizabeth discovers she can start fighting for her family instead of against them. As the power of prayer and Elizabeth's newly energized faith transform her life, will Tony join the fight and become the man he knows he needs to be? Together, their real enemy doesn't have a prayer. (*AFFIRM/Provident*) 2 hours. PG. Bring water or a soda and your mask, but leave your snacks at home.

THE CURIOUS CATHOLIC

Q. *Why did Jesus need to be “baptized”?*

This Sunday we celebrate the baptism of Jesus. But why did Jesus need to be baptized? Isn't the purpose of a Christian baptism to remove original sin and become a member of the family of God through the name of the holy trinity? Wasn't Jesus already free of original sin and a member of the trinity?

The answers to the last two questions are both yes; so, let's look at the why. What we need to know is that the baptism of Jesus, wasn't a Christian baptism at all. When Jesus was baptized, Christianity was not yet started. As a matter of fact, John the Baptist would be the one to start preparing and recruiting those who would later become the first Christians. The baptism that Jesus participated in was a ritualistic Jewish tradition where Jewish people would come to repent of their sins and be purified. It would have actually been considered scandalous for a gentile to participate in this ritual.

But even though it was a fulfillment of a Jewish tradition, the baptism of Jesus has a strong significance in the Christian faith. Last week we celebrated the feast of the Epiphany. If you look up the word “epiphany” in the dictionary, you will see that it means “an illuminating discovery or revelation.” It was revealed to the wisemen that the baby Jesus was the long-awaited king for whom the Israelites were waiting centuries. This week is the second part of the epiphany. Jesus entered the river Jordan only known to those around as a common carpenter. But then John lowered him in the water and when He emerged, God Himself revealed who Jesus truly was. “*After He was baptized, Jesus came up immediately from the water; and behold, the heavens were opened, and he saw the Spirit of God descending as a dove and settling on Him, and behold, a voice from the heavens said, “This is My beloved Son, with whom I am well pleased.”* (Matthew 3:16-17)

OUTREACH

Family Game Night, Virtual & In-Person - Jan. 22 at 6:00 p.m.

Hopefully, you have been able to spend some more quality time with your immediate family during this pandemic. Perhaps, you have played games together, put together a puzzle, watched a movie, or spent time with your extended family on a virtual platform. Spending time together has been an excellent way to pass the time during this pandemic. If you would like to spend some time with your fellow church family, this is an opportunity to do so. We will be playing games that can be catered to a socially-distanced atmosphere or that can be played virtually. If you would like to join us, please show up at the Our Lady of the Lakes Parish Center at 6:00 p.m. on Jan. 22 or email Amanda Gronemeyer, agronemeyer@dsoll.org, for a virtual option.

Project Angel Hugs Valentines - With Christmas and New Year's past, we look forward to Valentines' Day! If you would like to help brighten the day of a child with cancer, please drop off any Valentines (store-bought or homemade) on the OLL Parish Office back porch. Let your creativity abound, but please don't say anything along the lines of "Get well Soon" as not all children will recover from cancer. Please put your first name and city of residence as the children like to see where their cards came from. Please drop off all cards by Jan. 24. Thank you!

Peer to Peer Support Group for Young Adult Couples - Young adulthood is an exciting period in life. There are many things that happen in young adulthood: going to college, getting a career in your field, dating, getting married, starting a family, buying a house, the list goes on. There are many things to be celebrated during young adulthood as well as many hurdles to overcome. Whether you are a young adult couple just starting a relationship together, celebrating your early years of marriage together, or celebrating ten or more years of marriage together, it can be a blessing to have a support network of other couples with which to share your trials and triumphs. To learn more or to join a support network, contact Amanda Gronemeyer at agronemeyer@dsoll.org or 920-994-4380.
