PRAYERS/NOTICES

For the comfort of everyone and following Archdiocesan guidelines, we ask that all those wishing to receive **Communion on the tongue** come up at the end of the Communion line.

Beginning in September, we will once again have a **blessing after Communion for those taking the Eucharist to the homebound.** This will happen at all of our Masses. You will be invited forward after Communion, you will receive Communion in your pyx and Father will pray a blessing over you. **Did you know that each one of you can participate in blessing others?** For instance, when Fr. Gideon blesses those taking communion to the sick, consider holding your hands out in an action of prayer as he prays his blessing upon the ministers.

Do you know anyone who is interested in becoming Catholic? We have a number of people who have inquired about becoming Catholic through RCIA (Rites of Christian Initiation of Adults). Contact Deb Hamm if you would like more information on what is involved in this process.

MISSIONARY COOPERATIVE SPEAKER

On September 4 and 5, Sister Joannes Klas will speak at our Masses about the missions of the School Sisters of St. Francis.

(Many of you know Sister Jo, who grew up on the Klas farm on Hwy. 57 just north of Fredonia. She also attended St. Rose Catholic School in Fredonia.)

In the early 1980s, Sister Joannes helped Guatemalan refugees in exile to relocate and settle in Honduras. Ten years later, she assisted this group to resettle back to their native country of Guatemala, in the town of Yalpemech. Sister Joannes has been a valiant advocate for refugees in exile and in recognition for her outstanding work with resettlement, she received the Fridtjof Nansen Award from the United Nations in 1997. Sister Joannes remained in Yalpemech for the next 20 years until she returned to work with our missions on the border in El Paso, Texas and Juarez, Mexico.

The School Sisters of St. Francis are an international community of sisters who touch and change the lives of millions of people around the world through a myriad of ministries. Founded in 1874, their missions continue to evolve to serve the needs of our times for people who live in poverty and are marginalized by society. Their ministries stretch across the globe from the United States to Latin America, India and most recently, Africa. Their legacy is one of empowerment and hope.

We invite you to participate in the ministry of the School Sisters through your support to their missions. Your prayers and contributions are greatly appreciated.

THE YEAR OF ST. JOSEPH

Josephology is a thing. Among the sub-disciplines of theology, you've probably heard of Christology and Mariology. But did you know there's Josephology now?

Of course, St. Joseph has been a figure of theological interest for centuries. But only in the 20th century did some people start to gather the Church's insights about him into a sub-discipline of its own. In the 1950s, three centers dedicated to the study of St. Joseph were opened: one in Spain, one in Italy, and one in Canada.

WOMEN'S STRETCH & PRAY

Women's Stretch & Pray Tuesdays & Thursdays at 6:30 am - This summer, a new women's ministry was launched that incorporates physical exercise with prayer. All of the unrest present in the world can take a toll on us and this past year has been no exception. It is important to take time to cultivate peace in our mind, body and soul and strengthen our relationship with God, our Source of peace. This exercise opportunity does just that. The exercises cater to the unique athletic ability of each woman. We welcome you to join us in the Our Lady of the Lakes Parish Center gymnasium. Come, as you are able. There are mats available for use, but if you have your own personal yoga mat, please bring it along.

Feast Day September 3

DIVINE SAVIOR CATHOLIC SCHOOL NEWS

We are officially Back to School at DSCS! We are starting our second week and are thrilled to get the learning started. If you have been by school you may notice our new sliding playground gate and security gate next to St. Rose Chapel. We are so appreciative of all who donated money to help make this project possible. The two new gates will help to keep all DSCS students and staff safe while on our playground. I would also like to extend my heartfelt thanks to the small, but mighty group of staff and parents who helped out at our Day of Service last Sunday. We were able to get the church cleaned from top to bottom, install new backboards on the playground, take care of the weeds outside and so much more! Special thanks must also go out to Kent Schueller and Hal Steffen, along with their crew. They were able to remove part of the old fence, dig out old wood chips and lay down a fresh new layer. They are all wonderful models of service!

Yours in Faith, Principal Lynn Sauer

THE CURIOUS CATHOLIC

Q. What is the feast of the Assumption?

I grew up in Oconto, which is a small town about 40 miles north of Green Bay. There is a small open-aired chapel in the woods just west of the Evergreen Cemetery in town called the Guadalupe Chapel. It was built in 1958 as a place of worship for migrant workers who came during the summer months to help on nearby farms. Every August 15, our family would go there for a special evening Mass and then out for ice cream. When I was little, I thought we went there on that date, because it was my sister's birthday. When I got older, I discovered there was an even more special reason to celebrate that date (sorry Cheryl).

As Catholics we believe that when we die, and are in a state of grace, our souls go to heaven. We also believe that at the end of time, when Jesus returns, our physical bodies will be reunited with our souls. Mary, however, was not like us in many ways. Although fully human, she was conceived without original sin. This feast is celebrated on Dec 8 (The Immaculate Conception). Through her own choices and free will, Mary devoted her entire life to protecting and guiding Jesus. She was the first tabernacle that "housed" the body of Jesus, when she was pregnant. She was the first disciple of Jesus. She encouraged Him to perform his first miracle at the Wedding in Cana. She was with him through his preachings and teachings. She watched in agony as he was scourged and crowned with thorns. She walked with Him every step on His way to Calvary. Mary was united with her Son through conception to death and is with us now trying to unite us to her Son.

Because of our temporal sins, after death our physical bodies must be broken down and corrupted in order to be built back up before they are reunited with our souls. But because of the state of grace that Mary was in throughout her entire life, she was spared of this process. On August 15, we celebrate her full assumption of body and soul as she is reunited with her Son. We celebrate the life she led and the example she set forth for us. And we continue to pray for her intercession to help us become united with her Son during our life and reunited with her Son when we leave this life.

Mary, Queen of Heaven, pray for us.

Terri Riesselmann, Director of DS Youth Faith Formation

*If you have any questions you would like answered for the Curious Catholic article, please submit your questions to Terri Riesselmann (email on page 5 of the bulletin) or drop them in the prayer request box at the back of Holy Cross Chapel.

AREA & ARCHDIOCESAN EVENTS

Creation Care Corner - The Season of Creation is a month-long prayerful observance that calls upon Catholics to pray and care for God's Creation. It starts **September 1 and ends October 4**. It's a time to reflect on our relationship with the environment, how we live, and how our lifestyles impact the natural world, humans and other creatures inhabiting it. This "time for creation" offers, in the words of Pope Francis, "individual believers and communities a fitting opportunity to reaffirm their personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation."

The U.S. Conference of Catholic Bishops reminds us that "we show our respect for the Creator by our stewardship of Creation". Pope Francis urges us to recognize our connectedness with the natural world saying, "Nature cannot be regarded as something separate from ourselves or as a mere setting in which we live. We are part of nature, included in it and thus in constant interaction with it, (Ls 139). Advocating for Creation Care helps safeguard the inheritance the Creator has given us, an inheritance essential to our well-being. Pope Benedict XVI told us that protecting this inheritance is a way of fulfilling our role as stewards of creation.

Don't miss this year's **Starving Artists' Show**, featuring over 190 artists with original artwork for \$100 or less. The show will be held on **Sunday, September 12** on the grounds of Mount Mary University. Admission proceeds support students at Mount Mary. For more information, please visit mtmary.edu/sas.

Texas Roadhouse has extended their Church Bulletin program to every day instead of just Sundays. They are open from 12:00-8:00 pm daily. The program donates 10% of your total food purchase to the church of your choice. Simply present a copy of the weekly church bulletin to Texas Roadhouse and quarterly they will send us a check with their donation.

Stamps for the Salvatorian Missions - Please drop off your stamps on the OLL Parish Office back porch.

Advocates of Ozaukee County - Domestic violence does not go away on its own. It tends to get worse and become more frequent with time and is often harmful to your children as well. Support services are available at 262-284-6902, or toll free 1-877-375-4034.
