Eleventh Sunday in Ordinary Time

A favorite motto of St. Teresa of Calcutta was, "do small things with great love." This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God's kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people's faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God's kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows!

Never permit me to be separated from You. Amen

LIVE THE LITURGY

Inspiration for the week

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest.

Totus Tuus is a summer Catholic youth program dedicated to sharing the Gospel and promoting the Catholic faith through evangelization, catechesis, Christian witness, and Eucharistic worship. The methodology, structure, content, and enthusiasm of **Totus Tuus** is concerned not only with teaching the faith, but also igniting the hearts of the team members and young people. The result has been the formation of young adults who continue to dedicate themselves to the Church's mission of evangelization.

Totus Tuus is taught by a team of four college students that spend a summer traveling around a diocese. Totus Tuus has a Grade School program during the day and a Junior/Senior High program in the evening. In Totus Tuus there is a special emphasis on Marian devotion, the Sacraments (especially the Eucharist and Reconciliation) and vocational discernment.

Rite of Christian Initiation of Adults (RCIA)

Rite of Christian Initiation ***(RCIA)*** Our parish continues to welcome inquiries to the Roman Catholic faith through instruction and reception of the sacraments of initiation. If you or someone you know would like to learn more about the church and become an active member of the Catholic faith, contact Barbara Eretto at 715-499-1265.

****The job of the **Director of Faith Formation** is often confused with that of the Director of Religious Education. The Faith Formation director handles all the catechetical needs of the entire parish including those covered in the ministries of religious education, youth, young adult ministry, RCIA and adult faith formation. Therefore, as we continue to transition in areas of formation Barbara Eretto will be the Director of Faith Formation as she continues to lead us in areas of evangelization, discipleship and formation. The Faith Formation Director reports to the pastor while all other formation ministers generally report to the Director of Faith Formation.

Common terms associated with Religious Education:
CCD: This stands for Confraternity of Christian Doctrine. CCD was a generic term for non-school programs in religious education. The term was suspended by the USCCB formally in 1975.
Faith Formation is a total parish catechetical program that provides leadership in evangelization and discipleship, children's religious education, youth and young adult ministry, and adult formation in forming missionary disciples.
Religious Education is a small part of Faith Formation, as it pertains to the parish faith formation and sacramental preparation programming for children in grades K-8.
Youth Ministry is another component of Faith Formation, as it pertains to providing evangelization and missionary discipleship opportunities to the youth of the parish. This ministry provides services to those in grades 6-12.
Young Adult Ministry is another component of Faith Formation, as it pertains to providing evangelization and missionary discipleship opportunities to young adults ages 18-35.
