# Christian Formation News

Dear Friends in Christ,

This weekend's Feast of the Epiphany has a common thread running through the Scripture readings: light, light, and more light! In Isaiah, the prophet proclaims: "...Your light has come,..."; in St. Paul's letter to the Ephesians, he refers to his experience of the "...mystery made known to me by revelation...", which we all recall involved his being blinded by a bright light; and the Gospel story features the wise men being led by the light of the star...

In fact, as I did some research into the meaning and etymology of the word **Epiphany**, its linguistic roots could be interpreted as **"to shine upon"**. Indeed, the fundamental reality of light is so essential to our very existence and being that we can't imagine life without it. The inferences and implications for every aspect of life are limitless.

I believe that is why St. Paul, even with his extremely personal and intimate encounter with the risen Lord, talks about the **mystery** of revelation. We can only begin to sense a glint of God shining His light upon us, but even that glint, in the person of Jesus, the Word made Flesh, the Christ, Incarnate for a short thirty year span in the eternity of salvation history, illuminates everything!

**"I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life."**

John 8:12

His Peace,

Gerry Wolf

Director of Evangelization & Formation
