St. Gabriel School News

Preparing hearts and minds for lives of leadership, service, and excellence.

Note: Wednesday's daily Mass will not be live-streamed during the school year.

Due to the current wave of Covid variants and the Archdiocese suggestion ...*"When possible, large parish meetings where social distancing options are not available, are being changed to virtual attendance or postponed for now"*, we have decided to postpone the pancake breakfast aspect of the Open House. We will still have an Open House just on a smaller scale with no pancake breakfast.

These are still very trying times and the safety of everyone is paramount. We will continue to monitor the CDC guidelines and adjust accordingly.

Personalized tours will be available for those families who would like to meet our dedicated and caring teachers, see our beautiful state-of-the-art facility, and learn more about the challenging academics and our faith-building culture offered at St. Gabriel Catholic Parish School.

2022

What will you do in twenty-twenty-two?
Are there changes you'd like to see in you?
Anything following you from the last year?
Are there still old hurdles you need to clear?

It seems this year has already mimicked last.
There's another pandemic we need to get past.
So now more than ever we need God in our lives.
Taking time each day to pray we must prioritize.

Maybe we can all use this as an opportunity.
To spend time with our father just you and me.
To reconnect with him like a long-lost friend.
Giving thanks to our Lord before each day's end.

Let us pray for our loved ones; family and friends.
Let us pray that this pandemic will come to an end.
Let us pray to grow stronger in our faith with him.
Let us pray for his light to shine, in a world so dim.

So, how was your week? Did you encounter Christ?
With each day in prayer, you will soon be surprised.
You will feel a connection, a fire from deep within.
You will have renewed strength to battle against sin.

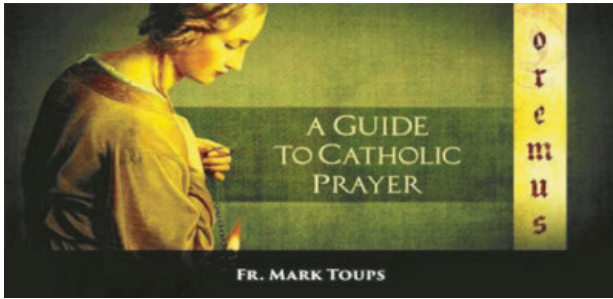

Then no matter what the beginning of this New Year.
You can come each week to worship without any fear.
You'll know in your heart, and you'll know in your soul.
That with each passing week you are reaching your goal.

I can promise you this, as I can with all of God's words.
When you speak to him in prayer, you are heard.
And God will respond to you, indeed there is no hoping.
So make sure in 2022 you are EPHPHATHA – be open!

"A Biblical Walk Through the Mass"
Expand your Faith at Thoughtful Thursday's beginning again on January 20 at 9:30 am in the Annunciation Room

The words, the gestures, and rituals of the Mass are rich in meaning. The Mass transcends time and space as it makes present to us the life, death, Resurrection and Ascension of our God and Savior, Jesus Christ. Everything we say and do in the Liturgy is steeped in biblical language. The Video presentation and Study guide of "A Biblical Walk Through the Mass" explores the extraordinary biblical roots of the Liturgy and reveals what it all means and why it all matters. This fascinating tour of the Mass will review your faith and deepen your love for and devotion to the Holy Eucharist. Produced by Dr. Edward Sri and Ascension Press.
