Why Do We Do That? Catholic Life Explained

Question: Is the Catholic Mass really celebrated the same throughout the whole world?

Answer: One of the truisms of the Catholic Faith is that “wherever you go in the world, the Mass is the same.” In fact, the answer to this question is both “yes” and “no.”

On the one hand, the essential elements of the Roman Rite are the same. The structure of the Mass as it is presented in the Roman Missal is consistent and this is one of the beauties of belonging to a liturgical tradition.

On the other hand, however, there are elements of celebrations that can vary depending on the country or even local region you might be in. For example, in certain parts of the world, certain feasts and solemnities are celebrated on different days (even here in the United States the Solemnity of the Ascension of the Lord can be celebrated on Thursday of the Sixth Week of Easter or it may take the place of the Seventh Sunday of Easter, depending on what diocese you are in). Whether it is the use of certain liturgical colors, local celebrations of regional saints, special seasonal blessings of crops or produce, or the use of dance and processions all demonstrate a sort of organic variety that can exist even within our established liturgical tradition. While we always respect what is essential to the rite, such local variations and traditions are very much in keeping with the vision of liturgical renewal and adaption envisioned by the Second Vatican Council's Constitution on the Sacred Liturgy (nos. 37-40).

Introducing the Missionary Leadership Institute!

The Institute is a three-year process designed for a wide variety of parish leaders who seek to:

- Discern their vocation; their particular call to holiness
- Be formed as leaders who will evangelize and disciple others
- Receive the tools to foster a culture of missionary discipleship

**Living the Liturgy**

St. Josemaria Escriva tell us, "To live according to the Holy Spirit means to live by faith and hope and charity. To allow God to take possession of our lives and to change our hearts, to make us resemble him more and more." Today we celebrate the gift of the Holy Spirit given freely by God to us. The Holy Spirit is the very breath of God and the true source of our power and strength. When we accept that God is the beginning and the end of all things, we open ourselves to receiving this powerful presence. The Holy Spirit alone is the one who teaches us how to pray, who stirs us to lift our eyes to heaven in search of our Creator and opens them to recognize the wonderful gifts of faith, hope, and love God gives us. The Holy Spirit is the one who teaches us how to understand ourselves, God, others, and the world. When we allow God's Own breath to truly take possession of us, we realize that we are meant to become like God and know Him as He really is. This ultimate helper lifts our eyes from what is below to what is above and empowers us to live life with joy and keener vision!
