Reflections from Sunday's Gospel... Something to Ponder.....

About Praying. Abraham is persistent in his pleading with the LORD. And the LORD listens and relents. A disciple asks Jesus, after seeing him pray, how to pray. Jesus gives a form that we use at every Mass and that we

hand on to the elect each Lent. He then goes on about persistence in our praying. How does my prayer plead for the Kingdom of God to come?

Just a note from...

There are only four of us in my family, but I think it's interesting that the addition or subtraction of just one member can change the whole dynamic. This summer we all got to experience that on a massive scale! Two seminarians entered the St. Andrew's family, not for a

long time, but certainly long enough to make everything feel different.

The purpose of these summer assignments is for us to get some idea of parish life and all the possibilities for ministry that will be open to us as priests. We learned a ton this summer! We have been assisting at Mass, training servers, making house calls and nursing home visits, attending meetings, organizing youth gatherings, serving food at the fish/chicken fry, and taking care of Fr. Joel's dog Charlie among other things.

Thank you all for your courtesy and patience in adjusting to a new family dynamic for a little while. We sincerely hope it was as fun for you as it was for us. God bless you.

- Levi James
