**MAY 26, 2024**

May seems to be a busy time for all of us as we anticipate summer coming. With nice weather comes heavy traffic, not just on the road but also in our lives. Many great beginnings also arrive in May: first communions, confirmations, and graduations. On May 31<sup>st</sup>, we will have our school graduation. The Archdiocese of Chicago recently celebrated the diaconate and priestly ordinations at separate events. I attended the priesthood ordination on May 18<sup>th</sup> at Holy Name Cathedral. I knew two of the four deacons ordained to the priesthood, as they were from my previous parishes. While attending the Ordination ceremony at Holy Name Cathedral, I was flooded with many memories that took me back to my ordination in 2001. Looking back to that day, I can still remember the beauty and joy I experienced. Occasionally, I pull out the photo album of my ordination. I sometimes wonder how time has passed so quickly. Even though we age, shrink, or gain in size, we still hold on to all the great memories we gathered.

We are a people who are moved and inspired by our memories from the past. Without memories, history is irrelevant, and memories give meaning to all history. Memories create a history of every kind. In this beautiful month of May, full of new and old memories, we celebrate Memorial Day, as this has become part of this nation's tradition, and this country pauses to remember the sacrifice and loss of all the military members. They were selfless in their service and did not hesitate to defend the freedom of this country. We enjoy freedom and prosperity because of the sacrifice of many selfless men and women. Because of them, we are still the greatest country on earth. Maybe some of you have a family member or friend who gave their lives for our freedom. Some of you will visit the cemeteries or participate in Masses at the cemeteries on this Memorial Day to remember those who lost their lives during a war.

The United States is known for caring for each other and sacrificing for others. Plenty of contributions are made each year for various causes. Alleviating poverty, free education, and clean water help nations and states to live in peace, defeat terrorism, and many other goals. Whenever a tragedy strikes in any part of the world, we are there with every form of aid, from financial to military. All this stems from our belief enshrined in the constitution that everyone is created equal and pursuing happiness is everyone's goal. The foundation of our constitution is based on the Gospel values of selfless love. Love is the driving force behind every sacrifice man and woman made to defend freedom.

The Church celebrates the feast of the Blessed Trinity this weekend. The Blessed Trinity is a union of perfect love. Love was visible during the incarnation and culminated in crucifixion and resurrection. This perfect love made our lives worth living and gave us hope of eternal life. Christians have come together for the last two thousand years or more to remember what happened on that day at the Last Supper. "Do this in memory of Me." On this Memorial Day weekend as we gather around the Altar to remember our Lord's command, let us take a moment to thank those men and women in uniform who gave their lives for this great nation of ours and may God bless America.

Fr. Tomy Abraham

*"Among you I am a man of faith, with you I am Christian and for you I am a priest"*

## Gospel Meditation Encourage Deeper Understanding of Scripture

Once I was at a meeting with representatives of various religions. On a coffee break, a man from another religion mused to me: "You know, with all our differences, all religions are really about being good people." I lowered my cappuccino and said as warmly as I could, "That's not what mine's about." His quizzical look begged for clarification. "Mine is about plunging into the life of God," I said.

Just before Jesus ascends into heaven, he commands the eleven apostles, "**Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you; and behold, I am with you always, until the end of the age.**" (Matthew 28:19-20). The word "baptize" means "to immerse in, to plunge into." It presupposes the use of water. But what does it mean to be immersed in God's name? In the Bible, God's name is identical to God Himself. So, to be baptized into water, using Jesus' formula, is to be plunged into the life of God. Said another way, it is to die with Jesus and rise with him as a member of his body.

The Trinity isn't a doctrine simply to accept and ponder. It's more like an ocean: a mystery into which we are baptized ... inserted, immersed, dunked, plunged. Baptism gives us power to live our lives as beloved children of God, patterned after Jesus himself, who is always with us, until the end of the ages. Hardly the same as being good people. Stranger, but much better.

— Father John Muir
