Brothers and Sisters in Christ:

The Illinois tax credit scholarship program has proven to be a beacon of hope and a guiding force toward a better life for thousands of Illinois students and their families. However, that light may be snuffed out unless the Illinois General Assembly acts to continue the law that provides for this program. Therefore, we are writing to ask you to contact your Illinois state representative and state senator to express your desire to retain the tax credit scholarship program.

Since its inception six years ago, the tax credit scholarship program has generated overwhelmingly positive results. Nearly 40,000 scholarships have been awarded to students attending private schools in the state. These scholarships are funded through contributions from donors who receive a 75% tax credit for their donation on their Illinois state income tax. All of the scholarships are need-based. Without this program, Illinois families may be unable to send their loved ones to the school of their choice. Demand for scholarships is high - for every scholarship granted, three students were turned down due to lack of funds.

Allowing the tax credit scholarship program to sunset would not only be a life altering disservice to the families it is designed to help, but would also create long-term consequences by weakening the state's educational choices and placing additional roadblocks in front of thousands of Illinois students on the path to a brighter future.

Please contact your state representative and state senator to let them know you support extending the tax credit scholarship program in Illinois law. We also encourage you to urge your fellow parishioners to do so also. Our collective voice is needed. To assist in this endeavor, please visit the Catholic Conference of Illinois website at www.ilcatholic.org or call the Springfield office at (217) 528-9200 for further information on how to locate your elected officials, request sample wording for a possible message to send, or for information about how to donate.

A number of the students of St. Michael School have benefited from the Illinois Tax-Credit Scholarship program. Specifically, St. Michael School has been able to grant 37 scholarships, providing over \$187,000 worth of assistance to our St. Michael school families. The bishops of Illinois have asked us to contact our legislators to keep the tax credit program in place. Please see their letter on page two of this bulletin, and contact our legislators to show them your support for this beneficial program.

Sunday's Readings

First Reading:

So the Twelve called together the community of the disciples and said,
"It is not right for us to neglect the word of God to serve at table.

Brothers, select from among you seven reputable men, filled with the Spirit and wisdom, whom we shall appoint to this task, whereas we shall devote ourselves to prayer and to the ministry of the word." (Acts 6:2-4)

Psalm:

Lord, let your mercy be on us, as we place our trust in you. (Ps 33)

Or Alleluia.

Second Reading:

You are "a chosen race, a royal priesthood, a holy nation, a people of his own, so that you may announce the praises" of him who called you out of darkness into his wonderful light. (1 Pt 2:9)

Gospel:

Jesus said to him,

"I am the way and the truth and the life. No one comes to the Father except through me. If you know me, then you will also know my Father." (Jn 14:6-7)

"The stone which the builders rejected has become the cornerstone." 1 PETER 2:7

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom of earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern their charisms and how God is calling them to use them. Remember - no gift is too small or insignificant in God's salvation plan.
