16TH SUNDAY IN ORDINARY TIME

When he disembarked and saw the vast crowd, his heart was moved with pity for them, for they were like sheep without a shepherd. - Mk 6:34

Bishop Hicks' Column **July 2024**

Summer Travels, Part I: Kentucky

Twice a year, all the bishops across the U.S. gather for meetings held by the United States Conference of Catholic Bishops (USCCB). A few weeks ago, we met in Louisville, Kentucky. One of the committees I serve on made an unconventional decision to hold our half-day of meetings not in the hotel, but at the proto-cathedral in Bardstown, Kentucky.

What is a proto-cathedral, you might wonder? Generally, a proto-cathedral is a church that functions as the temporary cathedral of a diocese until a more suitable cathedral can be built or until the existing cathedral can be repaired or renovated. Bardstown's cathedral was designated a proto-cathedral because it is the first or original cathedral, completed and opened in 1819, in what is now the Archdiocese of Louisville.

So, ten bishops, plus USCCB staff members, climbed into a van and drove past horse farms and distilleries for about 30 minutes until we arrived at the Basilica of Saint Joseph Proto-Cathedral in Bardstown, Kentucky. When we arrived, the exterior and façade immediately reminded me fondly of the Chapel at Mundelein Seminary with its use of red brick and stone in the Early American tradition. We were promptly treated to great Kentucky hospitality with a lunch that included homemade pot roast with potatoes, carrots, celery, and rice krispie treats for dessert (yes, I have a sweet tooth!).

We conducted our normal course of business which was enlivened by a tour of the Cathedral guided by the Rector. He began with an interesting history lesson. The Diocese of Bardstown, Kentucky, was established on April 8, 1808, along with the Dioceses of Boston, New York, and Philadelphia. As one of the earliest dioceses in the United States, it was created to serve the growing Catholic Church population, particularly west of the Appalachian Mountains. The territory included most of Kentucky, Tennessee, Missouri, Illinois, Indiana, Ohio, and Michigan. (To keep things in perspective, here in the Diocese of Joliet we are celebrating our 75th Jubilee while the Diocese of Bardstown was established some 216 years ago; such a rich history!).

To build the church, bricks were baked nearby, and poplar trees were positioned in a circular pattern to form the majestic columns inside and out. The foundation was built with limestone, which is so solid that the walls have never cracked. Exquisite religious paintings adorn the interior space, donated mostly by European royalty.

People had originally arrived in the Kentucky area by horse and wagon, so the diocese was established inland. However, with the popularity of the steamboat, the city of Louisville swiftly grew alongside the banks of the Ohio River. With this population shift, in 1841 the Diocese of Bardstown was transferred to Louisville, and St. Louis Church, now the Cathedral of the Assumption, became the new cathedral. The Diocese of Louisville was then elevated to an archdiocese in 1939. Even with all these changes, the proto-cathedral of Bardstown still functions as a Catholic parish church.

How delightful it was to travel and learn something new about the history of the Church in the USA. It also caused me to reflect on the fact that change in the Catholic Church is not something new. As you know, we in the Diocese of Joliet are in our third and final phase of targeted restructuring. It struck me that the Catholic Church has always had to respond to and even adjust to new demographics and shifting realities. When they laid that magnificent cornerstone in Bardstown in July 1816, I am sure no one was predicting that one day their very diocese would be relocated to Louisville. Like them, we continue to trust in the Holy Spirit and adapt to the changing times to embrace a Church that is always on the move and yet still beautifully thriving.

As I shift gears and travel to Indianapolis later this month for the National Eucharistic Congress, I look forward to sharing my experience and reflections in next month's "Summer Travels, Part II: Indianapolis" article. Until then, enjoy the summer, be safe, and may God bless you along the journey.

St. Michael Parish Helps Those in Need this Summer

St. Michael Parish continues to give to those most in need in our community and to contribute to projects that are critical for protecting the most vulnerable. Through your regular contributions to our 'St. Michael the Archangel Fund', we have recently donated to the following programs:

Support for local food pantries- Given the increased costs of food and the growing number of DuPage families in need, we donated \$3,500 to *Peoples' Resource Center*, and \$3,500 to the *Interfaith Food Pantry*. Our church has several members who also volunteer their time and efforts to each of these important charities. Through the pantries' ability to get food for less, these donations will make a difference to hundreds of local families.

Right to Life Efforts- Illinois has become a regional hub for abortions, and our continuing efforts to protect the unborn are now even more important. To help with this, Outreach is donating on behalf of St. Michaels to *The Caring Network* (\$2,000), *Project Love* (\$1,500), and *Waterleaf* (\$1,500). Our Right to Life members are also raising funds through the sale of Mother's and Father's Day cards, and 'Baby Bottles for Life'. Please continue to pray for the unborn and those who work to protect them.

The Poor at our Parish Door- The homeless and those who are facing financial hardship continue to appear at our door and are among us in DuPage County. To help these needy, we continue to support *St. Vincent DePaul* (\$2,000), and *Citizens United for Hardship Assistance* (\$1,000). These programs help those who need assistance in maintaining their homes, and who need counseling.

Support of Women Survivors of Sex Trafficking- *Magdalene House* in Chicago and Lombard is focused on helping women who have been caught up in sex trafficking with counseling and help in developing the skills to create a new beginning for them (\$2,000).

Help for Immigrants- Given the influx of new immigrants into our community and their needs; Outreach has directed \$1,500 to *Viator House of Hospitality* in Arlington Heights. Viator helps young men who are legally applying for citizenship during the years-long process of applying for and receiving asylum.

On behalf of those we help in our community, the Outreach Commission would like to thank the members of St. Michael's parish for their generosity and continuing commitment on behalf of our neighbors.

Do you spend time, every day, alone and in silence listening to how God is calling you? If not, you are missing out on a wonderful opportunity to develop a more personal relationship with Him. Unless we talk and more importantly, listen to God every day, how else will we know how He is calling us? Consider making a retreat this year, spend some "alone" time with God.

Thank you to everyone who has already pledged their gift to the 2024 Catholic Ministries Catholic Appeal. Together, we can come to the aid of our brothers and sisters in need *For the Glory of God*.

Through the CMAA, we show generosity toward the most vulnerable members of our community. We also benefit, as a parish, from the many ministries the CMAA supports, that touch our own lives and the lives of our fellow parishioners. Ministries that include vocations, Catholic education, and faith formation

If you still plan on making your gift, pledge envelopes are still available in the parish office, or you can use the envelope you received in the mail from the diocese. We also welcome online gifts at jolietdioceseappeal.org.

Remember, if we raise more than our goal of \$169,300, the diocese will return 70 percent of the amount over goal to us to reinvest in our own parish. This is an incredible opportunity and blessing!
