## GREAT THINGS HAPPENING!

A blessed Autumn Season to all of us here at Saint Michael Parish! I have been simply beaming in joy and gratitude these past couple of weeks because of so many good things happening here at our parish. Aside from the great things happening in the life of our individual families, many of them certainly unknown even to me, I want to highlight some reasons to be joyful and thankful as a community.

**MICHAEL DOERRIES.** Some of you may have noticed that parishioner Michael Doerries has been present in ministry in our sanctuary on weekends. I was with his family and classmates at Our Lady of Mercy on October 18 to join him and Bishop Hicks in receiving the Order of Acolyte. He is now officially an acolyte of the Church, his final step of minor orders before being ordained as a deacon. **How incredibly beautiful to see him and the other men make a commitment to serve as acolytes, that is, to offer themselves in the ministry of the eucharistic life of the church.** As such, he is now able to perform specific tasks during our liturgies, including the purification of vessels, assisting in the liturgies and rites of the community, and having the proper order to administer holy communion. So, I want to congratulate him and his better-half Katie on behalf of all of us for this special milestone in his vocation. I look forward to working closely with Michael Doerries, together with our incredible clergy community here at Saint Michael.

**A SPECIAL RELIC OF SAINT JUDE.** Saint Jude is known as the patron saint of the impossible because of his powerful intercession for miracles in grave situations. That is why the cult of Saint Jude has a very specific place in the life of the church. I am happy to announce that the most important relic of Saint Jude will be coming to Saint Michael Parish. After the visit of the International Pilgrim Statue of Our Lady of Fatima, this comes to us as a true privilege. There is great expectation that **the visit of this most important relic of the cousin of Jesus will bring miracles to our parish family, and bring a renewal of our faith in the Lord Jesus through the community of saints.** To welcome the saint's relic to our parish will require some specific volunteer work, and so I also hope that you, our dear parishioners, will find it worthwhile to assist in ensuring the proper protocols of the visit, even only to serve in ushering and crowd control, among other things.

**OUR SCHOOL CHILDREN'S ACHIEVEMENT.** I was talking to Mr. Adam Ferguson, our enthusiastic principal here at Saint Michael School, and he told me that the i-Ready, the aptitude assessment for grade school students, shows that St. Michael School stands out as having more than twice the number of students scoring on or above grade level in math and almost twice as many in reading compared to Illinois and nationally. Since we expect some students to score within range of one grade level below on this first Diagnostic, we can confidently say that **91% of students in reading** (versus 64% National YTD and 69% IL YTD) and **93% of students in math** (versus 66% National YTD and 66% IL YTD) at St. Mike's are scoring within a normal range for this point in the school year. This news is exceptional. Good job to our students and their teachers at school!

**HARVESTING FRUITS OF OUR MINISTRY FAIR.** On an ongoing basis, we are reaping the fruits of our recent ministry fair during our parish feast day on the weekend of September 28/29. I want to say thank you again to the team of parishioners that helped put together the materials for our ministry fair. Their efforts have borne ongoing fruits as we are still receiving responses to the invitation to participate. This is incredible, and **I celebrate this culture of volunteerism as one of the hallmarks of our parish tradition.** This is something to be truly proud of, that our parishioners are not only coming to Sunday Mass but are involving themselves in the life of our parish. Our parishioners' participation in ministry translates to ownership of our mission as well as an ongoing understanding of the value of community life. I continue to pray for our volunteers, with fervent expectations of many more to step forward in generosity of spirit and passion to serve the Lord.

For these great things happening in our parish, this pastor is happy, proud and on fire. We move forward with a unified desire to love and serve the Lord and one another. God bless our parish!

In faith and hope,  
Fr. Sunny Castillo

## DIOCESE OF JOLIET VOCATIONS OFFICE

*This is Part 1 in a 3-part series of columns on the importance of your help in the formation of new priests*

# Importance of the impact a priest can make

BY FR. STEVEN BORELLO  
DIRECTOR OF VOCATIONS  
DIOCESE OF JOLIET

I invite you to take a moment and think of a priest who has impacted your life. There may be one or many, and these may be good, bad or both. The truth remains that our lives would be forever different had we not encountered or experienced them. A priest who is well formed, holy, and seeking after the heart of Jesus has the power to radically shape and shift the culture of a parish. They, because of the grace given them by God, release into the world his presence, bring healing, and work miracles in the community they are called to serve. These priests who have been well formed, give hope for the future and in the presence bring about stability because they are firmly rooted in the conviction of the call they have received.

This impact, or as I like to call it, the ripple effect of grace, moves from the Eucharist into the community, our homes and then into the world. I've seen this personally through healing miracles, transformed communities,

vocations to marriage, consecrated life, priesthood, and the mixing of generations as the young and older walk together the life of faith. They say a holy priest forms great people and a great priest good people, etc.

Our church, your family, and your community deserve great and holy priests. This is the work of their seminary education, formation, and their shared experiences with you in the parish community. It is a great joy to watch as the young men see the possible impact they can make on the lives of people around them.

I ask that you take a moment to pray for your parish priest that he would be happy, healthy and holy. Please also pray for the young men in your parish that their hearts would be open to a call to priesthood. Lastly, please pray for our seminarians that they will grow in their love of God and love of the future community they will serve.

### Stewardship Gratitude

“And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” (MARK 10:52)

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop a Stewardship attitude of gratitude.
