THE PRESENTATION OF THE LORD

“Behold, this child is destined for the
fall and rise of many in Israel.” - Lk 2:34

Fr. Santos 'Sunny' Castillo — FROM THE PASTOR'S DESK

ASK FATHER SUNNY: Why Are We Livestreaming Our Masses?

As I have made known in previous bulletins, I will continue to occasionally write a Q&A type article just like this one today. It is a way for me to make sure that parishioners get clarification on certain things that may be happening. It may also serve as a response to some concerns, or questions that parishioners have asked me in casual conversations around the church but may be deemed of interest to more people. So, my dear Saint Michael Family, here goes one dose of "Ask Father Sunny" for your perusal.

QUESTION: Why are we still doing livestreaming at Saint Michael? Is this not encouraging people to stay home instead of coming to church to attend mass as they should?

ANSWER: Livestreaming one of our masses, the last one of the weekend, does not equate with permitting people to stay home and watch the mass online. Livestreaming the mass is something that has been done even before the pandemic, and yes, I was one of those priests that introduced livestreaming in my previous parishes even way before the pandemic happened. It is a way to reach people, including parishioners who actually have no other means of connecting with our parish and our liturgies, either permanently or situationally. I am thinking particularly of three groups:

THE HOMEBOUND. Those parishioners whose present reality does not allow them at all to attend mass physically are still able to connect with us through our livestreamed liturgies. Some are permanently homebound, others may just be temporarily prevented from coming to mass. Yes, they may have an option to watch other masses online, but it is a means to sustain a personal connection with our parish, because after all, they are part of our spiritual family.

THE TRAVELING PARISHIONERS. This can happen any weekend throughout the year, when individual or families travel on the weekend for work or emergency situations and find themselves unable to go to mass. Imagine those who are traveling through shifting time zones, for example, both locally and internationally. Or those who are going to places where the closest Catholic Church might be an hour or so away. Sometimes, parishioners come to me asking for a dispensation from Sunday obligation for various extraordinary reasons. It becomes part of the conversation with me (see Canon 1425) that they will watch mass online and will do some spiritual and temporal act of mercy in observance of the solemnity and to fulfill the liturgical obligation.

OTHER PEOPLE OUTSIDE THE PARISH. My mother watches our livestreamed masses. Yes, there are some people who have no access to Catholic mass in person. I have met some crew members of a cruise ship from the Philippines who have become regular viewers of livestreamed mass, because that is all they could get when they are in the high seas most of the time. There are also those who work in predominantly non-Catholic, non-Christian countries where there are no Catholic services anywhere close to them. Consider the analytics of our YouTube channel: the top ten lifetime geographical viewership of our livestreamed masses are as follows: USA, Canada, India, United Kingdom, Philippines, Malaysia, Australia, South Africa, Singapore and Nigeria.

Suffice to say, there is a real reason for livestreaming, and it is a good tool that can be used for good things. May the Holy Spirit continue to guide our church to discern what is of value and to passionately work for the ongoing proclamation of the Kingdom to all people. Amen.

In wisdom and truth,

Fr. Sunny Castillo

Stewards Tested

"Because he himself was tested through what he suffered, he is able to help those who are being tested." – Hebrews 2:18

When we join a support group, there is comfort in sharing our pain with people who have experienced the same thing; they understand what we are going through. The next time you experience suffering, talk to Jesus. He has experienced more suffering than most of us, He understands. Plus, Jesus knows us better than we know ourselves. Only He can fill the hole Stewards feel in their hearts.

The 2025 Catholic Ministries Annual Appeal is now underway!

As the Diocese of Joliet launches the 2025 Catholic Ministries Annual Appeal (CMAA), we are humbly asking all parishioners to pledge their support to this important effort, as together we can make a profound difference.

This year's CMAA theme is *Open Your Heart to God's Goodness*. Through our support, we ensure that the mission and ministries of Christ's Church are available to everyone. Together, we can help provide safe shelter for the homeless, feed the physical and social needs of those who are hungry, inspire those discerning a life of vocation, and aid in the education of our next generation of Catholics. Our parish could not accomplish all of this on its own, but together through the Appeal, we can do so much more.

Our parish's goal for the 2025 CMAA is \$177,100 and 70% of any amount we raise over our goal will be returned to us and used fruitfully within our own parish.

Please review the materials you receive in the mail from the Diocese of Joliet this month and prayerfully reflect on your gift to this year's annual appeal.

If you do not receive a CMAA mailing, please contact the parish office.

Thank you!
