PRAYER FOR CATHOLIC SCHOOLS

O Christ, our Teacher, We thank you for the gift of Catholic schools, where the message of your life, death, and resurrection is proclaimed, discipleship is modeled, worship of you is cultivated, and community is experienced.

Increase our zeal for ensuring that all children and families can benefit from an authentic Catholic education, and that Catholic schools grow in their ability to nurture the souls and form the minds of its students for generations to come.

We ask this through the intercession of Our Lady, Mother of Catholic Schools.

Amen.

THIS WEEKEND'S GOSPEL MEDITATION
2ND SUNDAY IN ORDINARY TIME

God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful, too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus. ©LPI

15 minutes each day spent in God's presence – reading, reflecting, responding and resting with his Word – adds up to 90 hours in one year. That is time well spent and a testimony to how a little at a time turns into something remarkable!

Reflection questions for Sunday, January 23rd

- Ezra and Nehemiah were the religious and political leaders of Judah in the mid-5th century BC. They grounded their leadership in Scripture ("the book of the law.") What role does sacred Scripture have in guiding your life?
- Paul used the human body as an analogy for the "many parts" of the Christian community in Corinth that should unite as the "one body" of Christ. In what ways do you find this a challenging vision for community?
- Today's reading contains both the opening prologue to the Gospel of Luke and the initial reaction to Jesus' return to his hometown of Nazareth. Luke is the only Evangelist to provide us with a prologue outlining his motivation to write his Gospel. What details do you find most interesting from Luke's prologue?

EVERYDAY STEWARDSHIP

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

IT TAKES ALL KINDS

"If every flower wanted to be a rose," wrote St. Therese of Lisieux, "spring would lose its loveliness."

Who is God asking you to be today? There is an obvious answer that springs to mind right out of the gate. God wants me to be a good person (a good father, a good husband) today; today, God wants me to be a saint.

But this answer fails to get to the heart of the question. We are all striving today to serve the same Spirit, but we are given different gifts to do so. The one who has the gift of knowledge may fail if today he decides he wants to be a healer. The one who has the gift of "varieties of tongues" might falter in the expression of wisdom.

Think about the wedding at Cana and the players in the scene: the servers, the guests, the bride and groom. They all have a unique role to play, and though it is to the servers that Mary gives the instruction, "Do whatever he tells you," her words apply to all.

Today, are we called to be the servers — do we wait on God's instruction and carry it out, no matter how foolish or impossible it may seem to our human ears? Are we asked to be the disciples, to bear witness to a miracle and to give our testimony? Are we called to imitate the Blessed Mother herself and give encouragement to follow God's word?

Let us examine our gifts and listen in the silence of our hearts to the direction of the Spirit. Then and only then, let us do whatever He tells us.

— Tracy Earl Welliver, MTS ©LPi

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing! ©LPi

CONTINUING OUR PARISH COVID PROTOCOLS

As we continue to learn to live with COVID-19 in our midst and adjust to the changing variants, I am thankful for our pastors and parish leaders

and their diligence in continuing the protocols already in place to help people feel safe while attending Mass. The protocols include clearly-designated areas for mask wearing and social distancing, as well as providing hand sanitizer and extra cleaning.

When possible, large parish meetings where social distancing options are not available are being changed to virtual attendance or postponed for now.

While there has been no outbreak of COVID-19 from Mass attendance, I'd like to encourage people to exercise personal responsibility. Those who feel sick or who are especially at risk of health complications should stay home and watch Sunday worship on the many Masses broadcast on TV and live-streamed on social media until they feel comfortable returning to in-person Mass. In those situations, or for those taking care of someone who is sick, Sunday Mass attendance is excused.

Our Sunday worship is a joyful obligation. It is a witness to God as the priority in our lives. By remaining diligent in these ways, we help ensure our parishioners feel safe attending Mass and can continue experiencing the connectedness of our parish communities, which is such a vital part of our lives.

Yours in Christ,

Most Reverend Jerome E. Listecki
Archbishop of Milwaukee
