## Welcome to the St. Thomas Family!

*Paul & Linda Tebo*

## We're so happy you're here.

Greetings and warm wishes to you from The Salvation Army of Manitowoc!

We pray that this note finds you and yours well as we start another year. As you all well know, "it takes a village" to help make the Christmas season a bright and merry one for those in need in our community. You have helped make that happen. We could not possibly do all that we do without folks like you stepping up and stepping in. Many of you donated time as well as toys and talent, as well as financial gifts. We cannot say thank you enough. On behalf of everyone here at The Salvation Army and every family who received help this Christmas season: THANK YOU! We are grateful and humbled by your generosity. May God bless you, and may you enter the new year joyful and with hope.

In Christ,  
Lt. Jenny Moffitt, Corps Officer

Did you know OTIS 2022 begins on January 19th? We will meet in the Community Room from 7:45-8:30 PM, following CCD classes. A full semester calendar will be coming soon!

### The second collection next weekend will be for Our Own Needs.

#### What is the *Our Own Needs Collection*, & why should I donate?

The Our Own Needs Collection does pay for miscellaneous expenses around St. Thomas, BUT **10%** of the Our Own Needs second collection done near the end of some months is actually used for helping out others in need. Various people that have reached difficult times occasionally call or approach St. Thomas, asking for a little help with gas or groceries. That 10% of the Our Own Needs funds are kept in an account to purchase Scrip gift cards in just these instances as well as to contribute to our Carelink partnership with The Salvation Army. While there are specific weeks the parish collects for this, donations are accepted at any time. When you donate to Our Own Needs, you really are enabling your parish to help others in needs.

Dear Sisters and Friends,

Once again I need to thank so many who remembered me with Christmas cards and gifts. Some I enjoyed after my week off in Tucson, but I believe I received all your greetings. It was so nice to be remembered, and I appreciated your family news, and especially your promise of prayers. Gracias, gracias.

First of all, our Migrant Posada was a great success on Dec. 18. The group accompanied Mary on a burro and Joseph from downtown to Kino Center, about 2 miles. They sang Spanish carols along the way, and accumulated several hundred participants. When they arrived at Kino, there were prayers shared, and we were ready in the kitchen to have every family who was present receive a delicious meal. We had the bags all packed up for families of 1,2,3,4,5,6, or more. We served 512 meals that day. As each family left, the children all received a container of candies to enjoy at home.

On Christmas Day a smaller number of families came, probably because their custom is to join at midnight, have prayers, and a meal together, and stay up several hours. So many were sleeping yet. But those that did received another delicious special meal, and then each child present received a wrapped gift appropriate for their age. There were many smiles for the occasion, as you would imagine. Several of us Sisters went to the 8PM Mass on Christmas Eve in the local parish, and on Christmas Day Father Pete, a Jesuit here, came to say Mass at Kino for all the volunteers who were working (all staff had a vacation day) and the families in our shelter. That was extra special, as we usually have a Word and Communion service on Sundays. We Sisters had a celebration meal at 5 PM at home because Sr. Tachita also has a birthday on Dec. 25. It was a wonderful occasion with 8 other guests she invited. She is our youngest at 31.

I worked on Sunday, the 26th, as usual, and then on Monday, the 27 I walked across the border for a 10AM pickup by the Franciscan Sisters from Tucson, AZ. That is so they didn't have to drive over. The line to come back into the USA is usually quite long, and during the Christmas season, you can have to wait up to an hour to check at the Border Patrol. I enjoyed the week with the 4 of 5 Sisters at San Xavier (Sr. Mary Ann was with her Mother in Sun City.) I got caught up on sleep, relaxed and ate well, got some exercise, and helped work at a 1000-piece puzzle of the Nativity. One day I did some shopping at a mall, and bought some necessary personal items and new shoes. Another day we all drove to Sierra Vista and had lunch with Sisters Joellen and Doris. We stopped before at a shrine about 20 minutes from Sierra Vista, Our Lady of the Sierra (Mts). Will send a few pictures of the 35 ft. Statute of Mary, and a 75 ft. cross next to her. Also stations of the cross up the hill. There is a beautiful chapel, on the side of the mountain, too, and a couple built all of the shrine. I should say rebuilt, as a fire destroyed the first several years back. By Jan. 2 I was well rested and ready to head back to Mexico. And classes started again on Jan. 3.

It looks like all but one family who has been in our shelter has now moved or is moving soon to get on their own and, most have found jobs to help pay rent and receive food. They can return daily to receive meals at Kino for a while if they live nearby. While I was gone, 3 new families entered the shelter. So I may be starting a beginner's class of English with them soon. I didn't get as far as I would have liked, but the aim is to get them independent while they wait to see if asylum might again open. The better students will not forget so soon, I HOPE!!

Blessings to all for 2022, and will be keeping in touch in the New Year, rest assured. Your continued support is much appreciated. I am staying well, and hope you are, too. Let's continue to ask God to end the epidemic soon.
