The Ascension of the Lord

Have you ever noticed how often we use “up” and “down” to judge things? Beethoven’s Ninth Symphony is “high” art, while professional wrestling is “low.” If I’m having a good day, I’m on “cloud nine.” A bad day means I am “down in the dumps.” A successful career is “moving up the ladder.” Failure in work or personal life can be “falling from the heights.” Life is filled with “ups and downs” — no one has the slightest problem understanding that means life has both “good and bad.”

Now consider Jesus’ ascension. He ascends not just to some level slightly higher of goodness, but “above all the heavens,” to use the words of Saint Paul (Eph.4:10). That expression means to the source of all goodness. He has gone all the way down — to the farthest depths of human suffering, and death. And now he has taken our humanity all the way up into God. In doing so he has demonstrated what he says in the Gospel of John to the Father: “Everything of yours is mine.” He now reigns over every possible aspect of creation in and through his human nature. That’s what the ascension is all about.

So what? No matter what the lows and highs, ups and down we face this week, we are totally encompassed by the one who descended and ascended. So, we should happily and confidently entrust ourselves to him. He has shown us not only his power, but especially his love, in filling all our ups and down with his presence.

— Father John Muir
