Mask Required Section in Church

With the continued increase in COVID cases locally, we are asking for increased compliance with our mask-required area of Church. Many feel uncomfortable attending Mass unless they are in a mask-only, socially distanced environment. Please respect those who prefer this seating by choosing an alternate area of the church if you prefer not to mask. Though our opinions vary, please continue to respect and show charity to our brothers and sisters in Christ!

Roses for Life Thank You

This past weekend the De Pere Knights of Columbus, Council 3955, sponsored its annual "Roses for Life" campaign at all three De Pere parishes. A total of \$2,028 was donated by parishioners at Our Lady of Lourdes, St. Francis, and St Mary's weekend Masses. All funds will be given to local pro-life charities. The Knights are grateful to all who supported this fundraiser for the women and babies in our community who benefit from your generosity. A heart-felt thank you to each of you who support life in all of its colors, from conception to natural death.

Paper Drive Thank You

Thank you for your support during our winter paper drive to benefit Our Lady of Lourdes Catholic School. With your help, we were able to fill two dumpsters with paper! Our next paper drive will be held March 14-21.

At rest in the Lord + + +

Deacon Michael Mervilde, 74, a charter member of the parish and husband of parishioner Karen Mervilde, passed away on January 4 and was accorded Christian burial by Bishop Ricken at St. Francis Xavier Cathedral on January 8. Mike received his bachelor's degree from St. Edward's University in Austin, TX, and his master's in social work from Washington University in St. Louis. He was in practice as an outpatient mental health therapist from 1978-2014 and was affiliated with the National Association of Social Workers, the National Association of Forensic Counselors, and the Academy of Certified Social Workers. Mike was ordained as a deacon in 2008 and loved the time he served at the Quad Parishes in Green Bay. In addition to Karen, his wife of 47 years, Deacon Mike is survived by a daughter and son and their spouses, five grandchildren, siblings, and extended family.

+ + May Deacon Mike rest in Christ's peace! + +

Winter and Mass

As the thick of winter weather and illness approaches, we would like to issue a few reminders:

- If you have fragile health, or are feeling at all unwell, please be prudent in deciding whether or not to come to Mass. Out of charity for yourself and those around you, please consider livestreaming the Mass. **God understands.** There's no sin in this option when you respect your limitations or the safety of those around you.
- A wave and smile at the Sign of Peace is a fine substitute to shaking hands
- Please consider receiving Communion on the hand or waiting until the end of the line to receive on the tongue to simplify distribution for our Ministers and ensure the safety of the Consecrated Host and others at Mass.
- It's happened a few times when weather has suddenly become so dangerous that we have cancelled Sunday Masses. We will let you know via the local news, Facebook, and Flocknote. **Again, God understands.**
- If school is closed for inclement weather or delayed, the Daily Mass is cancelled and the Parish Office is closed. Please, stay home, relax, pray, and enjoy the gift from God.

Thanks for this consideration for each other!

Do Whatever He Tells You

Dear Friends,

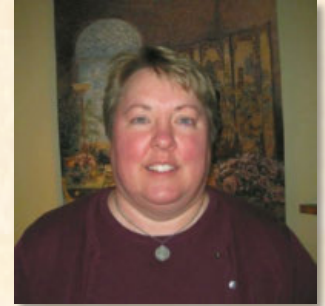

On January 1, 2022, my niece Katrina got married! It was an amazing day! As a family, we knew that Katrina and Dylan picked that date to bring some happy memories to it. Over the years, I have come to hate January 1 since we lost three family members, all on my mother's side of the family. Twenty-five years ago, we lost our Aunt Gerri. She was 50 years old. Fifteen years ago, we lost my mom, Harriet, to cancer. She was 66 years. And one year ago, we lost our Uncle Kevin due to complications from COVID. He was 58 years old. I always thought of Kevin as more of a cousin than an uncle because he is only a couple of years older than I am, so it is odd to call him Uncle. So you can understand our apprehension when Katrina and Dylan picked January 1 as their wedding date, not to mention wondering what the weather could be like on that date. There was a whole lot of prayer happening before their wedding day!

The gospel reading that Katrina and Dylan chose for their wedding was the Wedding Feast at Cana, which is also today's gospel reading. We usually get this gospel reading on the first Sunday back in Ordinary Time, right after Christmas. It is Jesus' first miracle. I always think of the timing of this gospel as a Christmas or Epiphany leftover since this is another time early in Jesus' public ministry that he manifests himself. What I found more miraculous was a family discussion of this gospel that ensued on Sunday as we celebrated our family Christmas. We were recounting the wedding day when my nephew Joshua brought up the gospel Katrina and Dylan had at their wedding. He liked the line "Woman, how does your concern affect me?" Josh picked up on the emotion of Jesus' annoyance because of what his mother said to him, "They have no wine." For Jewish weddings running out of wine was an embarrassment, a tragedy. It was fun listening to our younger family members discuss this gospel. As for me, having played several hundred weddings and having heard this gospel about as many times, I have come to love the line "Do whatever He tells you." I have meditated on this line many times, especially when praying the Luminous Mysteries of the rosary, where the second mystery is the Wedding Feast at Cana. I usually offer up this decade of the rosary for all newly married couples.

Over the years, I have come to think that Mary is saying this to me, "Do whatever He tells you," which is no easy feat. However, trusting in Jesus, he will give me what I need to accomplish whatever he asks of me, which is where the no easy feat part comes in. This is where some surrender of will has to happen. So here we are back in Ordinary Time, which is not so ordinary, but trusting in God, He will get us through. If we keep our eyes and ears and hearts open, He still provides those daily miracles. Happy New Year!

In Christ,

Jody Strnad
Director of Music & Liturgy

Mass Intention Requests for 2022

We are still scheduling Mass intentions for 2022. You are welcome to select one weekend Mass and one weekday Mass, or two weekday Masses. Masses are \$10 each. Please contact the Parish Office at (920) 336-4033 to schedule intentions.

Please Let Us Know

If a loved one is in the hospital or has moved to a nursing home or assisted living facility and would like us to be notified, please call the Parish Office at (920)336-4033. We don't always receive calls from the facilities and want to be sure to stay in touch.

Volunteers Needed!

The Our Lady of Lourdes Parish Family is passionate about hospitality and making everyone feel welcomed at each Mass. One way to make this possible is to have volunteers at all Masses to help with this amazing ministry. The Hospitality Committee is looking for volunteers to greet parishioners at each Mass and hospitality ministers to serve coffee and juice after each Mass. These are two separate roles and have separate trainings and responsibilities. Thank you to all those who currently help to make these ministries possible. If you are interested in signing up or learning more, please contact Katie Summers at katie@lourdesdeperre.org.

Matching Gifts to Nonprofits

Several of our parishioners have taken advantage of their company's matching gift program to make donations to Our Lady of Lourdes. We are grateful to them and their employers for their generosity!

These parishioners have suggested that others may also have this option. If your employer does and you would like to make a matching gift, we would be happy to assist in facilitating the process. We promise to be good stewards of all donations. Thank you!

Qualified Charitable Distributions

If you are 70 1/2 years or older and have an IRA, please consider making a year-end Qualified Charitable Distribution (QCD) to OLOL. QCDs are limited to the amount that would otherwise be taxed as ordinary income. Those who must take a required minimum distribution (RMD) may direct up to \$100,000 annually to charitable organizations without treating the distribution as taxable income. QCDs don't require that you itemize. This means that with the recent changes to the tax laws, you may be able to take advantage of the higher standard deduction but still use a QCD for charitable giving. This gift opportunity is especially beneficial for people who do not need their required minimum distribution. QCDs, however, count toward complying with the RMD requirement. To make a gift, simply direct your IRA administrator to make a charitable distribution to OLOL. As always, consult your tax advisor.

Hearing Loop in Church

Now that we are seeing more people back in church, we wanted to remind you that Our Lady of Lourdes has a Hearing Loop for hearing aid users! The Hearing Loop was made possible by a generous donation from a parish family. Many of you have already been taking advantage of it, but here is some information that might be helpful for those who weren't aware:

What is a hearing loop and how does it work?

Hearing Loops allow people who wear hearing aids to directly receive the sound from the church's PA system in their own hearing aids without having to pick up a separate listening device.

Do you use hearing aids?

If you wear hearing instruments, you will need to find out if your hearing aids have a wireless receiver called a T-coil or Telecoil built in, in order to benefit from the hearing loop in our church. The T-coil program is accessed by pushing a button on a hearing aid and must be activated by your audiologist. Talk to your audiologist to find out if your instruments can have both a T (no background noise pick up) and an MT program (blended micro-phone & T-coil program) for improved hearing at church.

Hearing loops improve hearing aids!

Digital hearing aids have significantly improved in the last decade, but they do not restore hearing to normal. Difficulties often remain when in challenging listening situations. Hearing loops help hearing aid users overcome this problem by broadcasting sound without background noise or reverberation.

For questions about your hearing aids and telecoils talk to your audiologist. To learn more about hearing loops visit: www.hearingloop.org or www.loopwisconsin.com.

News from the Principal

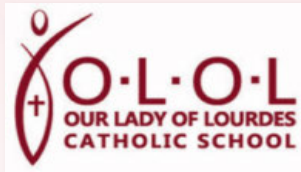

Dear Parishioners,

The OLOL staff is busy organizing one of our favorite weeks of the school year, Catholic Schools Week. It is a week for us to celebrate our students, our faith, our families, and why Catholic education is so different from any other institution that educates children. Many schools say they educate the whole child. I believe that is only possible at a religious school. We teach that each child is created in the image of God, and Jesus had a specific plan in creating all of us. It is beautiful to see that taught to our students and to start them on their way in fulfilling what God has planned for them.

Enrollment for the 2022-2023 school year begins on January 30. If you have even the slightest interest in educating your son or daughter at OLOL, I ask that you contact the school office at 336-3091 or email me at jyoung@gracesystem.org and arrange a tour. I believe Catholic education will make a huge difference in your son or daughter's life. The impact is not just in academics, but faith, moral development, and adult relationships.

"Catholic schools prepare every student to meet the challenges of their future by developing their mind, yes, but also their body, and their soul and spirit."
- David Vitter

The Lourdes Way,
Jeffrey Young
