## LIVE THE LITURGY Inspiration for the week

Jesus stood in line with everyone else and was baptized. There is something incredibly humbling about how this must have played out. Then, God did something truly awesome and inspiring. Through a very gentle and simple action he let the world know about the special relationship He shares with Jesus. That's exactly what is so incredible about our baptisms as well! Through those holy waters God announces to the world the special place we also occupy in His heart. We no longer have to wonder about the purpose of our lives or struggle to find our way. We do not need to fumble around, tripping over ourselves and wondering why we are even here. The answer has been given. All we have to do is live out the vocation we have received, to live the Gospel in fidelity to our Creator. There is nothing to fear and worry has no place. Standing in line with other sinners, we have our anchor and God is very pleased.

### SAINT OF THE WEEK

Born a pagan, St. Hilary (c. 315 – c. 367) studied philosophy and the meaning of life, eventually making his way through the bible. He became a convert and was appointed bishop of Poitiers in 353. Sometimes referred to as the Hammer of the Arians, St. Hilary defended the Nicene Creed against a popular heresy, Arianism. He was exiled to Phrygia for opposing Roman emperor Constantius II, who preferred the heresy which denies Christ's divinity. From Phrygia St. Hilary fought with his pen, zealously writing against the heresy.

Eventually he was allowed to return to Poitiers, but did so by a circuitous route, preaching against Arianism all the way. St. Hilary was likely the first writer of hymns in the West, his writings on the Trinity, Psalms and Gospel of Matthew survive today. St. Hilary was created Doctor of the Church, a title given to those who provided important contributions to theology and doctrine, in 1851 by Pope Pius IX.
