The National Appeal is this weekend. It is the first of three appeals throughout the year. Your support for the 2022 National Appeal in the Diocese of Rockford empowers local communities, shares the Gospel message with our neighbors, and cares for elderly religious. Through this combined appeal collection on January 15-16, we continue the work of building the Kingdom of God right here in our own country and within our own Diocese. This Appeal aids the following: The Retirement for Religious, Catholic University of America, Catholic Campaign for Human Development, Rockford Diocesan Priests' Pension and Catholic Elementary School Financial Support. LIVE THE LITURGY Inspiration for the week

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing!

SAINT OF THE WEEK

Not much is known about the life of St. Sebastian (256 – 287), except that he was a Roman martyr whose name has been mentioned throughout history since early 350.

We see St. Sebastian many times in art, especially from iconic paintings from Guido Reni, Andrea Mantegna and Hendrick ter Brugghen. Historical scholars now agree that a spiritual story has the beloved saint entering the Roman army because only there could he assist Christian martyrs without arousing suspicion on himself. Eventually he was found out, brought before Emperor Diocletian and delivered to Mauritanian archers to be shot to death. Pierced with arrows, he was left for dead, but managed to survive. He recovered from his wounds but still refused to leave.

One day, St. Sebastian took up a position near where the emperor was to pass. He confronted the emperor, condemning him for his cruelty to Christians. This time the sentence of death was carried out, and St. Sebastian was beaten to death with clubs. Today he is the patron saint of athletes.
