LIVE THE LITURGY

Inspiration for the week

People can easily lose a sense of the sacred and transcendent. When we lose a sense of God's special presence, we need to be brought back. Ezra brought people back to the word of God and they realized what they were missing. Jesus proclaims God's word in the synagogue with true conviction and tells those gathered that he is the fulfillment of all that Isaiah taught. Even though people get lost, distracted, discouraged, and often journey down the wrong path, God's timeless law remains. When we allow ourselves to truly hear God's word and act on it, that living word slowly, over time, changes us. It has the power to soften and mold us, creating within us a joyful spirit. We realize the truth in what God speaks and become open to God's love. Gradually and gently God leads us back where we belong. We discover again the sacred character of life and the wonder of God's power. It is no wonder that Luke addresses his remarks to Theophilus. It is a name that means "beloved of God," a name that can be used by anyone who desires friendship with God.

SAINT OF THE WEEK

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, "The Summa Theologiae." Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.
