“Becoming disciples of Jesus and stewards of God’s gifts.”
**Will the Son of Man find faith on earth?**

Will our children/grandchildren find a fulfilling life when they grow up? Will our earth be able to support us in a few hundred years? Will I find happiness when I grow old? These questions haunt us as individuals and as the human race. Well, hopefully they do!

Jesus is very clear in our parable today that our persistence needs to take us to a different place than where we were yesterday. The widow knew she had no political power for herself. She had to persistently ask the judge who did have political power to improve her life. In other words, she knew how to work the system. Jesus applauds the widow because she had faith enough in herself and her family to persistently reach out.

Next weekend at the 4:00 pm Mass we will be anointing those who come forward. Jesus’ challenge comes forth for us. Do we accept who we are today or do we persistently ask for more? Having faith means that God can move mountains within us and among us. If I come forward to be anointed next weekend, this may be a sign of faith that my life can change for the better. Do I really want change? Do I have faith that it may be possible? How persistent in prayer and action do I need to be?

What in your life needs to be healed? What area is out of line with what God may desire for you? Whether you are able to be with us at the 4:00 pm Mass or not, make a list of what you hope for in your life for yourself, your marriage, your family, your church and your community. Be persistent and start praying for a resolution. Pay attention to ways that your words or actions may contribute toward this resolution. During all this time, be grateful for the goodness that is already in your life. It’s there for a reason. God already finds faith in you!

Fall Blessings,
Fr. Tom

Sunday-by-Sunday: Questions for Growing in Faith

- She persists. How is the widow a model for the Christian?
- Be aware of Resurrection’s Prayer Chain. Parishioners confidentially pray for you and your intentions. It’s a phone call away. (See page 5 for phone numbers.)

Fall Anointing Mass
October 26th at 4:00p.m.

If you are coping with a chronic or terminal condition and would like to receive this beautiful sacrament of healing, we invite you to join us. A light supper will be served following the Mass. Supper requires an RSVP to the parish office at 336.7768.

According to the Catechism, “The anointing of the sick conveys several graces and imparts gifts of strengthening in the Holy Spirit against anxiety, discouragement, and temptation, and conveys peace and fortitude” (CCC 1520). These graces flow from the atoning death of Jesus Christ, for “this was to fulfill what was spoken by the prophet Isaiah, ‘He took our infirmities and bore our diseases’” (Matt. 8:17).

Stewardship Of Service Idea!

Our weekend Video Ministry needs several more volunteer disciples to share their time and talents during Masses. Ages Middle School through adults—-if you like computers, iPads, iPhones--this is for you! Teams are needed--one person for the PowerPoint, one for the camera. Perks = --help at the Mass time you usually attend --scheduled in a rotation with others --training sessions with experienced Video Ministers --directions, and script with pictures to follow are provided

Stop by the video booth at any of the Masses to take a look, chat with the Video Minister. We need you! Email Ministry Leader John Cole at king6kin@aol.com, or Michele at mbecker@gbres.org. It’s easier than you think, and it’s dope! (a.k.a. cool!)

2019 Adopt-a-Family

Resurrection Parish will again be sponsoring families for Christmas. Our planning begins early!

Family and sponsor information is kept in strict confidence.

Spread Gospel Joy!

Inspire and Empower

Do you have a favorite saying, thought, or short prayer that uplifts your soul or empowers your feelings or mood? Example: “He knows you by name.” Positive mental, emotional and spiritual health contributes in countless ways to one’s physical well-being.

During the months of November and December, pens, paper and baskets will be available at all the church entrances for parishioners to contribute inspiring and uplifting thoughts, sayings, or prayers. Parishioners can also email their contributions to Margaret Guzek at margaretguzek@gmail.com or Jennifer Friedel at jgfriedel@att.net.

These thoughts, sayings and prayers will be shared with parishioners in the bulletin, on the screens, and on the parish’s website beginning in January 2020. This will be a kind of New Year Spiritual Resolution!

Pet Food Collection Thank You

Thanks to all who donated pet food and paper towels for Happily Ever After and the Humane Society, and Christina Clark for delivering them. The trunk-full of supplies will help care for all of God’s creatures! Mark your calendars for next year’s Blessing of Pets on Sunday, Oct. 4th, 2020, the actual feast day of St. Francis of Assisi!

New Song Amen El Cuerpo De Cristo #337

Enjoy the bi-lingual refrain of the new Communion song. Little by little our parish is using music to build bridges of awareness of the gifts and presence of our Hispanic brothers and sisters, all one in the Lord.

How Our Food Choices Can Save The Planet

To mark World Food Day on October 24th, we invite you to view an information-packed webinar examining:

- How our food system (the way we produce, transport, and consume food) is responsible for over a quarter of all greenhouse gas emissions.
- How we can take action, both individually and as Catholic communities, to reduce our damaging “foodprints” on our common home.
- How we can make food choices that are sustainable, less wasteful, and just.

The webinar is especially timely as we approach the holiday season’s many food-centered celebrations. Go to info@catholicclimatecovenant.org.
