LUKE 4:18

Believing the Word of God

We are the Body of Christ assembling as the graced community of believers each week to give thanks and praise, to share in Communion, and then sent to serve. We are part of the great Communion of Saints to whom is handed down the living Word of God – both the Scriptures and the Tradition as well as the very person of Christ who is the spoken Word of God. The Word of God is central to faith.

- How will I set aside a few minutes each day to read/ reread Scripture? What is a good time?
- How will I look for the unfolding mystery of Christ in little and big ways today?
- How will I be “good news” this week by what I say and do?

The collection amount needed for
Fiscal Year 2021 to fund staffing and ministry

Caring for God's Creation

Pandemic Reflections: Slowing Down

During this pandemic, often our plans have been dashed and our hardships amplified. We've been forced to slow down and simplify our existence at times. What's most important rises to the surface: our spiritual and emotional connection to God, family, friends, community and Creation... and the health of those we love.

Pope John Paul II reminds us that in light of Christ's death and resurrection, suffering is no longer an exclusively negative event. "Rather, it is seen as...an opportunity 'to release love..., to transform the whole of civilization...' Salvifici Doloris, #30".

What positive changes and behaviors can we carry forward from this forced slow down? What new insights will we have into what material things we really need in life? How can working together to overcome the COVID-19 variant crisis provide learnings on how to overcome other crises, like the climate crisis?
