FIRST COMMUNION

Hello family,

A couple of important developments:

First, Mrs. Kathy Winters, the principal at St. Jude school, submitted her letter of retirement to me last week. I'd like to take this opportunity to thank Kathy for her service to our school community over these past seven years. If you have an opportunity, please express your gratitude to her for her work with our school community.

We are in the process of posting the job and will be accepting applications for the next principal. Please pray for us as we move forward and look to fill the position.

Second, we're in the process of contracting with a firm that'll help us with the relaunch of the capital campaign. It has taken the last many months to get to this point; it's been a tedious task, but I'm hopeful that we will finally be able to move forward with this project. I'm hoping to get the finalized documentation completed this week so that I can share more detailed information with you next week.

Blessings,

Fr. Ray

Healing Our Throwaway Culture:

HOSTED BY PEACE & SOCIAL JUSTICE

Caring for God's Creation

What the Saints say about Caring for Creation

St. John Paul II - "The visible world is like a map pointing to heaven... We learn to see the Creator by contemplating the beauty of his creatures. In this world the goodness, wisdom, and almighty power of God shine forth. And the human intellect ... can discover the Artist's hand in the wonderful works which he has made. Reason can know God through the Book of Nature."

St. Hildegard of Bingen - "Every creature is a glittering, glistening mirror of divinity." "Creation is the song of God." "The Earth sustains humanity. It must not be injured; it must not be destroyed."

St. Francis of Assisi - "If you have men who will exclude any of God's creatures from the shelter of compassion and pity, you will have men who will deal likewise with their fellow men."

St. Irenaeus of Lyons - "The initial step for a soul to come to knowledge of God is contemplation of nature."

St. John Paul II - "... humanity has disappointed God's expectations. Man, especially in our time, has without hesitation devastated wooded plains and valleys, polluted waters, disfigured the earth's habitat, made the air unbreathable ..."

What will you do to demonstrate your care for creation and gratitude for this great gift from God?
