

*Everyday Stewardship –
Recognize God in Your
Ordinary Moments*

Guided by the spirit

There will always be something behind us and before us. Time moves on and the world continues to rotate. Will we miss that which exists right before our eyes because they are shut while we are consumed by the past or worried about the future?

When we go about whatever work God has set for us this day, large or small, we cannot get it done if we are looking behind us. Being mindful means to live for the present. It sounds like the simplest thing in the world, but we forget it (I forget it at least once every day). We must be guided by the Spirit.

What I'm talking about here is a radical abandonment of ourselves to God — over, and over, and over again. We cannot put our hand to the plough, while our eyes are looking backward at what is left behind. We cannot turn back if we are to move forward.

When we take up the yoke of stewardship, we will never be able to bear it if we rely on our own strength. When we put our hands to the plough, we will never get the job done if we look backwards at our own track record for inspiration. There is no inspiration there. Let the dead bury their dead.

pray for the Discalced
Carmelite Friars.

This week we ask prayers

Sacred Silence

The Holy Father, Pope Francis, has summoned us to prepare our hearts for the liturgy of the Mass and secondly, to embrace each other as integral parts of our faith community. While we at St. Mary of the Hill hold both of these things dear, it is difficult because of the configuration of our building to both welcome friends and prepare our hearts at the same time ...but let's try.

Beginning June 17 & 18, 2022 St. Mary of the Hill Parish will only have the light on Our Lord in the sanctuary all other lights won't turn on until Mass is about to begin. This way, everyone can properly prepare for the Sacred Mass. We ask that you welcome your parish family after Mass.

New Parishioner Orientation & Welcome

All newly registered parishioners, anyone considering joining the parish, or those just interested in learning more about our parish are invited to a brief New Parishioner Orientation and Welcome to be held Sunday June 26th following the 9:30am Mass in the Conference room.

A short power point will be presented of the history of St. Mary of the

Hill and our special connection to Holy Hill, also you will learn about the many parish ministries available to you.

Rosary of the Seven Sorrows

The 7 Sorrows Rosary will be said first Saturday of each month during the summer at 10:30am. If anyone is in need of a 7 Sorrows Rosary and the prayer booklet, please feel free to contact Karen at: karen@cedarlakecounseling.net. She will be happy to provide a Rosary and booklet for you! We hope to see you on July 2nd.

St. Mary of the Hill Security Information

As you have heard the last few weeks, we are implementing a few new security measures at the Parish during Masses. Recently Church's have had political demonstrations throughout the U.S. We have not received any threats, but we want to be proactive by setting up enhanced security.

At a recent ushers meeting, the Catholic Mutual Insurance gave some simple suggestions for safety; the ushers will now do a perimeter check before each Mass, keeping only one door open before Mass and **lock the doors 10 minutes after the Mass has begun** (our parishioners can get out but no one can get in). The security team asks our parish family to **do their part by attending Mass on time**. Thank you for your consideration and we would also like to thank the security team and the ushers for their hard work keeping our parish family safe.

How To Live Out Today's Gospel This Week

1. Reflect on your priorities. Are they making you more or less fit for the Kingdom of God?
2. Take some time to sit with Jesus in the Blessed Sacrament this Wednesday.
3. Re-read St. Paul's epistle to the Galatians tonight. Discuss what it means to you with another.

Our deepest sympathy is extended to the family and friends of:

Nancy Neu, Mother of Jeff & Mary Neu

Grandmother of Stephanie, Amanda, Sierra, Jace

Great grandmother of Hunter, Nolan, Owen, Colton

Please keep all the souls of our dearly departed in your prayers.

Live the Liturgy - Inspiration for the Week

God calls us in the midst of ordinary things. Often only looking for God in the dramatic, spectacular, the ritual or the sacred places, we miss that He is walking beside us. Every moment of every day, in every circumstance and experience, God is calling to us, "Follow me." Sometimes, we are too distracted to hear this call. Other times, we would rather ignore it or pretend it wasn't heard. God, however, is very persistent. Whether we fine tune our hearing to receive this invitation now or when we close our eyes in death, we need to make a choice. The choice involves leaving some things behind and moving forward, taking risks. Choosing to keep focused and single-minded, the lens we then use to see our world and one another is God's, not our own. Life is no longer about what is important or matters to me but what matters to God. We acquire a new filter and are asked to use that filter to make choices, establish priorities, and determine what direction we will take, and how to love. Once we accept God's invitation, we cannot keep looking back to what was left behind, only forward to the surprises yet to come. ©LPi
