EVERYDAY STEWARDSHIP — RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

God Doesn't Take a Break — An acquaintance who works in church ministry once told me a story about one of the students she had in Faith Formation. This student informed my friend that his family doesn't come to Mass in summer. "God takes a break in summer, and so do we," he said.

There's a lot to unpack here. First, it's tragic to think of anyone voluntarily missing out on the Eucharist for so long. It's also a real problem in the church today that a lot of our folks don't understand the beauty of the Sunday obligation. But if I had to dissect this situation and pinpoint the thing I find most troubling, it's the idea of God taking a break.

I hope it's starting to look like summer where you are. We've still got a few weeks left before it's official, but the school year should be winding up for most kids, the birds should be chirping a little louder, and hopefully your lawn is starting to green up nicely. You're probably daydreaming about the annual cabin getaway weekend or waterskiing on the Fourth of July.

All in all, summer is going to be a nice break, even if — like typical Americans — our break is full of productive work. Thank God — literally — that He doesn't take a break, even if we do. Can we try to remember that, even in the midst of our many wonderful distractions? Let's enjoy this summer. Let's live it to the full. But let's see it for the gift that it is — and remember the thanks we owe the Giver. ~ Tracy Earl Welliver, MTS

MQSCA NEWS

We have two big announcements from the school.

First, **MQSCA will be hosting a vaccine clinic at the school on Thursday, June 3, from 2:00 - 4:00 p.m.**

It is open to anyone ages 12 and up who wish to receive the COVID-19 vaccine. No appointments are necessary, just come to the church doors and the health department will take care of the rest. All neighbors, parishioners, students and parents are welcome.

Next, we are excited to announce that **Nick Lee has been named the new principal of MQSCA.** Nick has served as the principal at a fellow Seton school, St. Rafael, for the previous two years. He is an experienced principal and as a West Allis native, he knows the community well. We are excited that Nick will bring his familiarity with the area and continue to create partnerships to grow the school!

We only have two weeks of school left, please continue to keep the school community in your prayers for a strong finish to the 2020-2021 school year! .

**LIVE THE LITURGY —
INSPIRATION FOR THE WEEK**

The immensity, scope, intimacy, and pervasiveness of God’s presence is too intense for the human mind. We often limit God by our expectations of Him and have a hard time just letting God be God. Some people all too easily lose faith because God does not meet their expectations. Worse still, the idea of faith is rejected altogether by others because of polarities and experiences they have that don’t square with who they need God to be. The Holy Trinity is one of those teachings that is best encountered rather than dissected. It is only through being present with the Trinity that we can experience both the immensity and otherness of God’s presence as well as the intimacy of the God who wants us to call Him “dad.” We feel the loving guidance of a God who wants to take us from fear and give us confidence. Our God of yesterday, today, and tomorrow is a God of all ages whose three-fold Presence invades all senses, seasons, and times. God, who is Father, Son, and Holy Spirit, is much more than any of our expectations if we simply let God be who God is.

**WHY DO WE DO THAT? —
CATHOLIC LIFE EXPLAINED**

Question: If it isn’t only for people who are dying, when should someone receive the Sacrament of Anointing of the Sick?

Answer: One of the unfortunate realities in the Church today is that so few people understand the meaning and value of the Sacrament of the Anointing of the Sick, largely because so many people still mistakenly think of this sacrament as “Last Rites” or “Extreme Unction.”

In his life and ministry, Jesus healed the sick. In this sacrament, the Church continues the healing mission of Jesus and, in hope, prays that God will grant healing to the person who is suffering. But even if there is no physical healing, the sacrament offers spiritual healing through the Holy Spirit’s gifts of peace and courage. And so, anyone who is living with serious illness (including emotional or psychological illness) and the elderly are encouraged to celebrate this sacrament when it is needed.

The ritual for Anointing of the Sick does also include special prayers and blessings for those who are facing death, including viaticum (communion given to the dying, trusting that the Lord Jesus will be their companion along the way, as they make their final journey).

A Monday Moment—the Jesuit Retreat House—May 24

Okay. Take a deep breath through your nose, like you are smelling a little baby after they have had their bath. Hold it...hold it...hold it... Let the breath out slowly along with all your worries.

Now take a deep breath through your nose, like you are breathing in all the goodness (*like fresh homemade bread!*) in the world, hold it...hold it... hold it... Let the breath out slowly along with all the tension in your body.

Take another deep breath and breathe in God’s love, like you are breathing in happiness and joy. Hold it...hold it...hold it... Let the breath out slowly along with any anger and pain you have.

Now relax.

All you need to do is breathe.
