**Judge Derek Mosley
with lead a discussion**

of Unconscious Bias. We all hold some form of unconscious bias, and the key is to recognize that we have it and employ techniques to mitigate it.

Judge Mosley graduated from Marquette University Law School in 1995. He served as an Assistant District Attorney for Milwaukee County from 1995-2002. While serving as Assistant District Attorney, Judge Mosley founded the Milwaukee County District Attorney's Community Prosecution Unit. This unit places assistant district attorneys in various neighborhoods throughout the City of Milwaukee to work with residents to reduce urban blight and to improve the quality of life. In 2004, Judge Mosley was appointed Chief Judge of the Milwaukee Municipal Court.

The discussion is sponsored by the SE Education on Racism Subcommittee

Gardening on the Grounds

Special thanks to our gardeners who give so much of their time to make our gardens so beautiful. Nancy Janik at St Eugene has created the most beautiful beds in front of the church at West Entrance at St Eugene. Linda Mc Guire and her Gardeners for God have managed so many of the Marian beds and have tirelessly weeded all around St Monica church. Please say a prayer of thanksgiving for these special people.

ONE MINUTE CATECHISM

The One Minute Catechism: The Eucharist - Part IX (CCC 1322-1419) When we receive the Eucharist, we are transformed. Because of the importance of the Eucharist, we must always strive to participate actively in the Mass. In addition to speaking and singing responses, we need to focus ourselves intensely and resist a tendency to sit passively or to allow our minds to wander.

In Holy Communion, we are called to offer our whole selves as a living sacrifice to God. When we receive Communion, we need to remember that we are not changing Christ into ourselves. Rather, Jesus is transforming us into Himself. Only He can do this. But our inner receptivity to this transformation is critical. To receive God's love, we need to open ourselves to it. Our sacrificial gift of ourselves at every Mass is the best way to open ourselves to being transformed continuously into Christ. Then, in and through Christ, we can become bread to feed the world's physical and spiritual hunger.

To understand our faith fully, it is vital that we have a proper understanding of the Real Presence of Jesus in the consecrated bread and wine. The Consecrated Bread and Wine are not merely a symbol that points to Jesus. Nor is Christ's Real Presence in Holy Communion just some projection of our mind. Christ's Real Presence in Holy Communion is a sacramental and spiritual reality. The consecrated bread has become Christ's Body. The consecrated wine has become His Blood. Jesus Christ is completely and wholly -- substantially -- present in a way that is completely unique. This miracle happens at each Mass by the power of the Holy Spirit through ministry of the priest, who is acting in the person of Christ during the Eucharistic Prayer. We must continually teach our families and each other the truth of Christ's Real Presence in the Eucharist.

At Mass, when the priest or Eucharistic Minister offers us the Host, he says, "The Body of Christ." We answer, "Amen." This "amen" means, "Yes, I believe."

Believe.

Reflect: *Because he understood the Real Presence of Christ in Holy Communion, St. Thomas Aquinas could not get through Mass without crying.*

Pray: *Lord Jesus Christ, please help me always to contemplate your Real Presence in the Eucharist.*
