They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

From our Parochial Administrator

Dear Parishioners of Holy Cross,

Happy New Year and Happy Epiphany!

"Christ is the light of the nations!"¹ With these words, the Second Vatican Council succinctly proclaimed what we celebrate in today's beautiful feast. The Epiphany in fact contains three great mysteries of our faith: the star of Bethlehem leading the Magi, Christ's first miracle at the wedding feast at Cana, and the revelation of Christ's Divine Sonship at His Baptism by John. All three events show us that Jesus Christ is the Savior, not just for one select group, but for all peoples.

Our world, our lives, can so often seem to be overshadowed by darkness. But St. John the Evangelist reminds us that "the Light shines in the darkness, and the darkness has not overcome it," (John 1:5). The reason for this is that the true Light, "who enlightens every man," (John 1:9), has become one of us in the Incarnation, and has conquered sin and death in His Death and Resurrection.

This feast exhorts us to ask ourselves: do we really believe that Christ, and nothing else, is the light? Do we believe that in Him alone we can find the meaning of life, true joy, and lasting peace? Do we believe that everyone we encounter, especially those who we may be tempted to cast aside, were created to enjoy the light of Christ?

Regardless of whatever new year's resolutions we hope to strive for in 2022, let's all resolve to make Jesus Christ, the Light of the World, the very center of our lives throughout the year.

God bless,
Fr. 20

Father Twenty presents The Councils of the Church

The next class will be on Tuesday, January 11
7:00-8:00 pm in Donovan Hall
The topic will be "Vatican I".

In the life of the Church, Ecumenical Councils are some of the most important and pivotal events relating to Her teaching and practice of the faith. However, often relatively little is known about their actual context and content. In the new year, we will continue to study each of the Councils for a deeper appreciation of the authentic magisterial teaching of the Church and how it directly relates to practicing this rich and beautiful faith in our own time. All are welcome. Perfect attendance is not required, come when you can. *Classes will be live streamed.*
