From our Parochial Administrator

"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone."

1 Corinthians 12:4-6

Dear Parishioners of Holy Cross,

In the Second Reading from Mass this Sunday, St. Paul urges the newly formed Christian community in Corinth to recognize the diversity of gifts that the Holy Spirit has bestowed upon them for the cause of the Gospel and for the sake of the unity of the Church. The various gifts he delineates in this passage are called "charisms" in the Catechism of the Catholic Church.

It states that charisms are "graces of the Holy Spirit which directly or indirectly benefit the Church, ordered as they are to her building up, to the good of men, and to the needs of the world."¹ The Catechism continues to teach that these gifts should be welcomed and accepted, while at the same time always be discerned carefully by the shepherds of the Church, to ensure they are authentic promptings of the Holy Spirit and are in keeping with charity, "the true measure of all charisms."²

It is so important for us to remember - the Holy Spirit is not asleep, He is hard at work! He is constantly bestowing gifts upon the faithful, not just for their own benefit, but for the good of the Church. Take time this week in prayer to ask the Holy Spirit, "What gifts have you given me? What gifts do you desire to give me?" Understand that, so long as these gifts are authentic and ordered toward charity and the unity of the Church, He wants you to use them!

God bless,
Fr. 20

Father Twenty presents The Councils of the Church

The next class will be on Tuesday, January 18
7:00-8:00 pm in Donovan Hall
The topic will be "Vatican II".

In the life of the Church, Ecumenical Councils are some of the most important and pivotal events relating to Her teaching and practice of the faith. However, often relatively little is known about their actual context and content. We continue to study each of the Councils for a deeper appreciation of the authentic magisterial teaching of the Church and how it directly relates to practicing this rich and beautiful faith in our own time. All are welcome. Perfect attendance is not required, come when you can. *Classes will be live streamed.*

Live different.
