**Issue:** Immigrants

Immigrants are persons who move to countries of which they are not a native or where they do not possess citizenship with the intention to settle or reside there, especially as permanent resident or naturalized citizens, or to take up employment as migrant workers or temporarily as foreign workers.

**Teaching:**

What the Church teaches, is in scripture, or is the position of the archdiocese or USCCB:

US Catholic Bishops’ Five Principles to Guide Immigration Reform and Policy
1. Persons have the right to find opportunities in their homeland.
2. Persons have the right to migrate to support themselves and their families.
3. Sovereign nations have a right to control their borders.
4. Refugees and asylum seekers should be afforded protection.
5. The human rights and the human dignity of undocumented migrants should be respected.

Deuteronomy 24:14 – “You shall not defraud a poor and needy hired servant, whether he be one of your own countrymen or one of the aliens who lives in your communities.”

**Action:**

What we can do to promote equality, rights, health, safety and dignity of others:

Join Pope Francis and the Church around the world in a global campaign to love our immigrant and refugee neighbors in the Share the Journey. On September 27, 2017, Pope Francis launched a two-year worldwide campaign in support of migrants and refugees. In the U.S., the campaign is being implemented by USCCB, CRS and Catholic Charities USA. Catholics around the world can join the launch to generate widespread media attention to the Church’s support and commitment to Share the Journey of migrants and refugees. On social media, use #ShareJourney and #ComparteElCamino.
