# IN OUR PARISH COMMUNITY

## Dear 2020 US Citizens,

This weekend, July 24-26 is Faith Communities Census Weekend. Here is some information, facts and figures from the United States Census Bureau.

The global pandemic, economic instability, and growing social unrest have greatly affected us all. A lot has changed over the last few months for our faith communities. We understand many of the uncertainties you may be facing as a result of the recent developments surrounding the health of our nation.

The Census Bureau is carefully monitoring the situation and working with national, state, and local health authorities as the 2020 Census is still going strong. We're adapting or delaying some of our operations where needed to protect the health and safety of our staff and the public and make sure we reach our goal - to ensure a complete and accurate count of everyone.

In light of the COVID-19 outbreak, the U.S. Census Bureau has adjusted 2020 Census operations in order to:

- Protect the health and safety of the American public and Census Bureau employees.
- Implement guidance from Federal, State, and local authorities regarding COVID-19.
- Ensure a complete and accurate count of all communities.

Information provided daily to the Census Bureau from FEMA, as well as State and Local authorities, is used to guide Census Bureau decisions on timing. As a result, selected field operations are resuming on a phased schedule on a geographic basis.
