Pope Francis's August Intentions for The Maritime World

We pray for all those who work and live from the sea, among them sailors, fishermen and their families.

Social Justice Ministry

Issue: *Respect for the Planet's Resources*

Universal prayer intention - Respect for the Planet's Resources: We pray that the planet's resources will not be plundered, but will be shared in a just and respectful manner.

Environmental degradation makes the life of the poor intolerable. In dialogue with Christians of different denominations, we need to commit ourselves to caring for creation, without squandering its resources, but instead sharing in them in a collaborative way. Pope Benedict XVI

Teaching:

What the Church teaches, is in scripture, or is the position of the archdiocese or USCCB:

Pope Francis: Consideration "is being given to add in the Catechism of the Catholic Church the sin against ecology, ecological sin against the common home."

Genesis 1:1 In the beginning, when God created heaven and earth,

Genesis 2:1 Thus the heavens and the earth and all their array were completed

Action:

What we can do to promote equality, rights, health, safety and dignity of others:

Follow and uphold the St. Francis Pledge.

The Saint Francis Pledge: I/We Pledge to:

- ◆ PRAY and reflect on the duty to care for God's Creation and protect the poor and vulnerable.
- ◆ • LEARN about and educate others on the causes and moral dimensions of climate change.
- ◆ • ASSESS how we as individuals and in our families, parishes and other affiliations contribute to climate change by our own energy use, consumption, waste, etc.
- ◆ • ACT to change our choices and behaviors to reduce the ways we contribute to climate change.
- ◆ • ADVOCATE for Catholic principles and priorities in climate change discussions and decisions, especially as they impact those who are poor and vulnerable.

Community Compass

According to Indy Hunger Network's 2017 Unmet Need Study, food insecurity affects one out of every five people in Indianapolis. The study also found community members

were not using food pantries due to the lack of information to locate a food pantry. It also found individuals and families were not enrolling into SNAP/WIC benefits because of ineligibility concerns. One of the problems facing people who are food insecure is knowing where to turn for assistance. Finding nutritious, readily available food shouldn't be hard. That's why the Indy Hunger Network created **Community Compass** – a free and easy app designed to show people where they can find food assistance in Marion County.

With Community Compass, people can find: free meal locations, free groceries, food related events and information on WIC, SNAP and other programs. If you have a smart phone you can download the **Community Compass** app. If you don't have a smart phone you can text "hi" to 317-434-3758 to find assistance. Questions? Visit indyhunger.org/compass and watch the instructional videos.

Hunger is hard. Now, finding food is easy.
