Last week, "Our faith formation youth spent time preparing to enter into Lent. Our Hearts on FIRE elementary youth "buried" Alleluias and learned why we refrain from using Alleluia during Lent. Our Edge middle school youth spent time discerning their Lenten prayer and fasting, creating an interactive Lenten post-it note tree in which they will remove one of their pale "fasting" leaves from their tree for each day they commit to their fast and place on their tree a more brightly colored "prayer" leaf for each day they follow through with their commitment to prayer."
A note from Fr. Doug...

Dear Parishioners,

Lent has begun! Have you filled out and turned in your Stewardship of Prayer commitment form? You are still welcome to turn them in. We will keep these by the bowl for the coins of compassion as a reminder of our Lenten commitments/opportunities. I also encourage you to do your follow up with our "accountable person" that you have listed. Let us together as a parish live Lent so as to grow closer to God through prayer.

This first Sunday of Lent, the Gospel reading is about Jesus being tempted by the devil. What saint do we invoke, via prayer, that helps us resist the temptation of the evil one? Answer: Prayer to St. Michael. "St. Michael the Archangel, defend us in battle; be our defense against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do you, O prince of the heavenly host, by the power of God, thrust into hell Satan and the other evil spirits who prowl about the world for the ruin of souls. Amen." This might be a good prayer to pray daily. This might be the prayer that you post on your mirror and pray it everyday until you have it memorized.

Through our Worship Commission, came a request to consider adding a weekday Mass in the evening. This would accommodate those who are looking for weekday Mass, but are unable to attend our 6:45 a.m. at Grand, or the noon Mass at the Holy Family Memorial. This Tuesday, at 6:30 p.m., at the Grand site, we will begin our weekly evening daily Mass for Lent. This is a great opportunity for those who are working/busy during the day to come to a weekday Mass. I invite anyone who would like to help out with the various ministries, server, communion distributor, or sacristan, to please sign up to help out. (Call or email the office.) If you are already are trained, just ask that you be added to the Mass and ministry in the scheduler, and if not yet trained, set up a time to get trained and then scheduled. In the meantime, come and pray!

Stay after Tuesday 6:30 p.m. Mass, or come on Wednesday at Noon for Soup and Substance, at the Grand site, to learn and experience various forms of prayer. This week I will present Lexio Divina as a way to pray scripture. Bring your bible. My goal this Lent is to help as many people as possible grow in prayer. Last year, I did a few teaching sessions on prayer, this Lent will repeat them and offer a few more options. It is all about growing in intimacy with Jesus Christ. What one way can you build in your prayer life that would bring you closer to Jesus Christ?

Fr. Doug LeCaptain

A note from Fr. Bill...

The Sights, Sounds, and Smells of Our Catholic Faith

One of the greatest gifts of our Catholic faith is the opportunity for full engagement of the senses. At every Holy Mass, we are invited to be immersed in an ocean of sight and sound if we but have eyes to see and ears to hear. The Bread of Life upon our tongue; the subtle taste of wheat that belies the explosion of grace if we but believe! The purpling of our lips with the pleasance of wine, in sharp contrast to the Life Blood that it becomes, poured out for our salvation. The sweet, mysterious smell of incense as it purifies the atmosphere of worship and conveys our prayers heavenward. The ringing of bells; angels are present and the demons flee. The light from many candles illuminating our hearts and minds with true Christ Light. The symphony of all that is seen in perfect harmony with that which must forever be unseen; the amalgam of holy mystery with the reality of our worship. This is our Holy Mass!

The reverence and dignity of every Holy Mass is to be noted. Though it is not always possible (or practical) to include the fullness of every element in every Mass, it is commendable to seek out opportunities to immerse the faithful more deeply in what has conveyed the awe and mystery of our beautiful Catholic faith for centuries. Our worshipping family will have the opportunity to drink more deeply from the wellspring of our heritage during this season of holy Lent and beyond, if God so wills.

Beginning this Sunday, March 1, at the 6:30 p.m. Mass, we will gather to pray in the fullness of our unique and precious sights, sounds, and smells. Come and magnify our prayer as a worshipping family with your presence. Come with eyes to see and ears to hear; allow your senses to bathe in the grace that is ours if we but believe!

Praise be Jesus Christ!

WALDO CONSTRUCTION IMPACT ON SFA PARISH & SCHOOL
(Effective March 2nd, 2020)
In addition to the information provided by the D.O.T. on the map shown below:

1) We are reversing the direction of travel for the driveway on the East side of the church (which runs parallel to the church). The only entrance will be from Waldo Boulevard and the only exit is to Menasha Avenue.

2) School bus drop-off and pick-up will be done on the driveway on the East side of the church.

3) Due to barricades at North 14th Street and Waldo Boulevard creating a “dead end” and with school bus drop-off and pick-up by the church (see note above), we plan to limit parking on North 14th Street to school staff only. This will allow better control of traffic flow particularly while the children cross 14th Street for bus drop-off and pick-up. On weekends, we strongly recommend no parking on North 14th Street between Waldo and Menasha.

4) We are also requesting that the parking stalls on the North side, next to the rectory garage, be kept available for Adoration Chapel.

Of the three marks of Lent — prayer, fasting and almsgiving — almsgiving is surely the most neglected.

And yet, in the only place where the Bible brings all three together, the inspired author puts the emphasis firmly on the last: "Prayer with fasting is good. Almsgiving with righteousness is better than wealth with wickedness. It is better to give alms than to store up gold, for almsgiving saves from death, and purges all sin. Those who give alms enjoy a full life…” (Tob 12:8-9).

Why the emphasis on almsgiving rather than that of prayer and fasting? Because almsgiving is prayer, and it involves fasting. Almsgiving is a form of prayer because it is "giving to God" — and not mere philanthropy. It is a form of fasting because it demands sacrificial giving — not just giving something, but giving up something.

This year, our parish will be collecting our Lenten “Coins of Compassion” alms for three charities. One that helps our community here in Manitowoc, by assisting our brothers and sisters who have a legitimate need but are “falling between the cracks” and unable to receive assistance from other agencies. We then reach out to our brothers and sisters around the nation and go to the Delta of Mississippi where our very own local Franciscan Sisters of Christian Charity and Wisconsin Franciscan Friars have a Mission church and school where they educate and take care of the spiritual needs of the poor and immigrant families of Greenwood, MS. And finally, we reach out to our brothers and sisters around the world by supporting the poor, hungry, and homeless in far away lands.

The three charities are: Good Shepherd Fund of St. Francis of Assisi Parish, St. Francis of Assisi Parish Mission and School in Greenwood, MS, and Catholic Relief Services (CRS) Rice Bowl Project.

Each week, our parish will actively offer up our alms for each of these organizations. Please watch the bulletin for more details and information on each organization.

What is Your Legacy?

A personal legacy involves more than the financial assets you bestow on the younger generation. A living legacy is any step or action you take during your life and the way those actions affect how people remember you.

FORMING A DAILY PRAYER HABIT

By this time you have probably seen in our Lenten newsletter and in last week’s bulletin Fr. Doug’s reference to a Stewardship of Prayer Commitment. The commitment form was also in last week’s bulletin, or you can stop by the office. I was asked recently about a good method to instill a habit and it caused me to recall an article from a weekend Wall Street Journal (Jan. 5, 2020.) The method worked well for a daily habit I wanted to develop, in fact, it has now worked 37 days straight. The step-by-step verbiage from the WSJ article is italicized below and my interpretation as applied to a habit of prayer is in parentheses. Thank you.

~Submitted by Pat Brandel

To instill a habit, the first thing you need is motivation: Pick a behavior that you want to do rather than one you merely feel obligated to do. (We are not obligated to daily prayer but just consider, for a few minutes a day, desiring and then surrendering yourself to God.)

Second, you need to be able to do it: Make the change simple and small at first. (A few examples of prayer: Little Black Book; read a favorite prayer; Read the daily Gospel; plus others which were on the Stewardship of Prayer Commitment form.)

Third, you need a personal prompt: Identify a way to reliably trigger the behavior. (Examples: that first cup of coffee, brushing your teeth, etc.)

Finally, you need to celebrate your new habit, so that your brain associates it with positive feelings. (Do this daily prayer during Lent basking in those moments with God and you will find a greater serenity and joy. You will also have established a life-changing habit.)

This year, our parish will be collecting our Lenten “Coins of Compassion” alms for three charities that help our community here in Manitowoc and reach out to our brothers and sisters around the world. The three charities are: SFA Good Shepherd Fund, St. Francis of Assisi Parish Mission and School in Greenwood, Mississippi, and Catholic Relief Services (CRS) Rice Bowl Project.

**Good Shepherd Fund:** Since its establishment in 2005, the Good Shepherd Emergency Fund has dispersed an average of $2,400 per month to help people with emergency housing, utilities, and food requests as well as other emergency requests. The Good Shepherd Emergency Fund is a fund that helps people who have a legitimate need but are “falling between the cracks” and not able to receive assistance from other agencies. Assistance from the Good Shepherd Emergency Fund is available throughout the year. Parishioners and non-parishioners may benefit from this assistance. Funds are dispersed at the discretion of the pastor and the parish coordinator of social services.

**GRANT APPLICATIONS**
Organizations based in the 16 counties of northeastern Wisconsin served by the Catholic Diocese of Green Bay are invited to submit grant applications for CRS Rice Bowl. The application deadline is Friday, April 10, 2020. CRS Rice Bowl funds projects that benefit immigrant or refugee populations in northeastern Wisconsin who are struggling to meet their basic material needs (such as food, shelter, healthcare, literacy and counseling services). Grant criteria and application forms are available for download at www.gbdioc.org/rice-bowl. You may also receive a hard copy by contacting Eric Weydt, Catholic Social Justice Coordinator at (920) 272-8344 or email EWeYdt@gbdioc.org.

We Welcome You to St. Francis of Assisi Parish Community

- Our most important involvement in the parish community is our presence at the Sunday Eucharist — “the source and summit of our life in Christ”.
- Our parish Christian stewardship is based on prayer, service, and sharing. We are called to give back to God as generously as God has given to us.
- If you wish to find out more about our parish community, please contact the parish office, or complete this form and drop in the collection basket at Mass. You will be contacted by a member of the parish staff.
