A note from Fr. Doug...

Dear Parishioners,

Daylight savings time begins this weekend. How will you use the extra hour of evening light? As the sun will now set at around 7:00 p.m., how will you enjoy the evening light? In our Gospel today, Jesus talks about choosing light, as opposed to being in the dark. I suggest that you take a few moments each day this week to recognize the light shining in the dark of the evening, and pray that this light shines in wherever there is darkness in your life and share a prayer of gratitude for the light of Christ in your life.

We have added a 4:00 p.m. Mass at our Marshall site for the next three weeks (through Palm Sunday). In recent weeks, we have been reaching our social distancing maximum at our other 4:00 p.m. Masses. We want to continue to provide a safe environment by maintaining social distancing and wearing masks. We will reassess the situation as we approach Easter and decide what to do from there. It is just so good to have so many people returning to church. We want to continue to provide the safest environment that we can until more people are vaccinated.

We have yet to have any one come to Mass who has a high temperature. My prayer last week was "may your temperature be low and your donation high." Given that people are coming to church healthy, and we have not had a high temperature (studies are showing that high temperature is not an early detection method for COVID) we will discontinue taking temperatures of people entering Church, unless of course you'd still like to have yours taken.

Can you spend an hour with Jesus this week on retreat? This Thursday is our parish retreat, "Stay and Keep Watch." We will have Adoration of the Blessed Sacrament, beginning after the 6:45 a.m. Mass and lasting until 10:00 p.m. at the Grand site. Since we are still limited to having only three people at a time in our Adoration Chapel, this is a great way to join in prayer before the Blessed Sacrament. Attend in-person or view on our Facebook page for a livestream throughout the day. The cover of this bulletin provides an event schedule. Note the many forms of prayers and talks at the top of each hour.

Regarding St. Boniface Church (you may have seen some comments on Facebook recently), I want to affirm again that the parish is not seeking to update or make regular use of the space. There is a separate group exploring other options for future use of the space. Again, as a parish, we are not planning to use the St. Boniface church for our parish ministry or to have regular scheduled Masses in English there. We are open to having this group that is interested in preserving the site develop a plan for my approval before they go forward with any fundraising or improvements. Recall that back in 2018, our buildings and grounds committee estimated the cost to restore and open St. Boniface site at $2.2 million. The group's proposal is due to us within ninety days and is expected to take into account not only restoring the church, but also how they will maintain and finance the site into the future. Please know that any plan will not conflict with the fundraising for our parish or school. Our pastoral plan is to use the three church sites (Grand, Marshall, Waldo) for our parish ministry, and to work with Roncalli Catholic Schools to provide a great Catholic education for our youth.

P.S. Please note our Lenten day of Reconciliation on March 25th at the Grand site (see page 7 of this bulletin for details.)

A note from Fr. Jason...

One of the great joys of being a priest is the Sacrament of Baptism, both for adults and children. It is so wonderful to welcome into the Church new souls. This past Sunday I had the opportunity to baptize an infant and a child. It was just a good event and I was privileged to be a part of it.

According to the Catechism of the Catholic Church: "Baptism is birth into the new life in Christ. In accordance with the Lord's will, it is necessary for salvation" (*CCC*, no. 1277). The necessity of Baptism comes from the Lord himself. In talking with a man named Nicodemus, Jesus states, "No one can enter the Kingdom of God without being born of water and the Spirit" (Jn 3:5). After the Resurrection, Jesus commissions the Apostles to baptize, "Whoever believes and is baptized will be saved" (Mk 16:16).

The essential rite of the Sacrament is the minister pouring water three times on a person's head or immersing the person in water three times. The action is accompanied by the words, "[Name], I baptize you in the name of the Father, and of the Son, and of the Holy Spirit."

Baptism has five effects. First, sins are forgiven. All sins, Original Sin and all personal sins, are removed. Second, we become adopted children of God. "We become sharers of divine life and temples of the Holy Spirit" (*United States Catholic Catechism for Adults*, 193). Third, we are initiated into the Church. Fourth, Baptism is the common link of all Christians, even non-Catholic Christians. Finally, "Baptism seals the Christian with the indelible spiritual mark (character) of his belonging to Christ. No sin can erase this mark…. Give once for all Baptism cannot be repeated" (*CCC*, no. 1272).

Baptism can be given to adults, children, and infants. Some non-Catholic Christians do not accept infant Baptism. Infant Baptism has been practiced since the time of the Apostles. What about children who die without Baptism? "The Church entrusts them to the mercy of God, who will that all people be saved" (*USCCA*, 191). Jesus says "Let the children come to me and do not hinder them" (Mk 10:14).

OFFICE OF THE BISHOP

March 9, 2021

Greetings in the Lord Jesus!

As many of you know, questions continue to be raised regarding the reception of vaccines against COVID-19. Recently, additional concerns have arisen regarding the new Johnson and Johnson vaccine and its connection to abortion. In response, both the Congregation for the Doctrine of the Faith (CDF) in Rome and the United States Conference of Catholic Bishops (USCCB) have addressed the matter of vaccines in recent months. While the Diocese of Green Bay does not advocate for the medical quality of any particular brand of vaccine, the following is provided as spiritual and pastoral guidance to the faithful.

The challenge before us is that the recent Johnson and Johnson vaccine against COVID-19 was developed, tested, and produced using cells derived from an abortion. This places it in a very different moral category from the existing Pfizer and Moderna vaccines both of which were only tested using a cell line from an abortion. However, it is sometimes difficult to choose a particular brand of vaccine since the vaccinations are being done on a highly regulated basis. Also, health care providers might have little or no control over which vaccines are supplied to them.

Taking all of this into consideration and whenever possible, Catholics should choose to receive a vaccine that is the least morally compromised. Thus, if people have the option to choose, they should receive the vaccine from Pfizer or Moderna which are less closely connected to abortion. If there is truly no other option, then other vaccines **may** be received.

In the end, we need to do everything we can to protect the sanctity of human life in all of its stages. As we remain grateful for the many advances of science which help us to fight disease, we also advocate for the development of medicines and vaccines which do not violate one life in order to save another.

Sincerely Yours in Christ,

✠ David L Ricken

A note from Deacon Mark ...

Dear Friends,

What a difference a day makes, or in our case a year!

This past year has been unique for all of us. We seem to have been called deeper into the desert, to more fasting and sacrifice than originally planned, including fasting even from the Holy Eucharist for a period of time this past year. We opened up slowly and have many safeguards in place to help protect those entering our churches.

Holy Week is the most sacred time of the year. Last year we were not able to gather as a family of faith to celebrate Holy Week. This Holy Week is going to look and feel a lot different, but we want to provide as many opportunities as possible for all of us to pray together, from wherever we are.

We will be able to gather in our houses of worship but how we celebrate the beautiful liturgies and Masses will be slightly different. The following is a list of changes set forth by Rome and the Diocese of Green Bay:

Palm Sunday
- We will be distributing palms for your home this year

Holy Thursday
- The Mandatum ritual – washing of feet – is not to take place this year due to COVID-19.
- At the end of the Mass of the Lord's Supper the procession is also omitted and the Blessed Sacrament is to be kept in the tabernacle.

Good Friday
- The cross should not be venerated by touch, especially by a traditional kiss; a genuflection or bow of the head would be appropriate. The adoration of the Cross by kissing it shall be limited solely to the celebrant.

Easter Vigil
- Since all would need to remove their masks and exhale forcefully to extinguish them, the use of small lit candles by the faithful should be omitted both during the Lucernarium and the Renewal of Baptismal Promises.

Although we will observe Holy Week in a very different way this year, the very essence and heart or our prayer and worship during this sacred week remains intact. God continues to call the faithful together in new ways to honor the sacrifice of his Son, our Lord, Jesus Christ.

I invite you to check out this bulletin for a list of events, liturgies, and Masses that we will celebrate at St. Francis of Assisi this year's Holy Week. We invite you to join us in person or to join us in prayer from wherever you are as we post and/or livestream them on our Parish Website or Facebook Page.

A note from Elizabeth Gruenke...

On the Year of St. Joseph *(Part 1 of 2)*

We have been afforded a great invitation this year: an opportunity to grow in devotion and love for one of the greatest - arguably the second greatest - saint who ever lived and will ever live: St. Joseph. After the Blessed Virgin Mary, no person spent more time in the presence of Jesus than Joseph. We likely already seek to grow closer to Jesus through our devotion and love for Mary. What a gift it is to grow closer to Jesus through our relationship with Joseph as well! We need St. Joseph. In a world that is filled with brokenness, chaos, confusion, apathy, and hostility, we are invited to turn our gaze to Joseph who in turn delights in offering us Jesus - the incarnate God.

After Mary, no saint has more titles that St. Joseph. In the litany of St. Joseph, we ask for the intercession of this saint who is described as just, chaste, prudent, courageous, obedient, and faithful. He is given the titles Mirror of Patience, Model of Workmen, Glory of Domestic Life, Hope of the Sick, Patron of the Dying, Terror of Demons, Protector of the Holy Church, and more! How can we not run to St. Joseph, asking him to intercede for us? The man who was totally obedient to the will of God the Father and totally docile to the promptings of the Holy Spirit during his earthly life still desires to lead us closer to Jesus and the glory of the Kingdom of Heaven. Just as Mary is a spiritual mother to us, so too is Joseph a spiritual father to us, taking away no glory from God the Father. Indeed, in St. Joseph we get a beautiful glimpse into the Person of God the Father. St. Peter Julian Eymard writes, "Our heavenly Father has had only one saint to represent him on earth. Hence he bestowed everything he could on that favored saint, and equipped him with all that he needed to be his worthy representative."

This year we are reminded *Ite ad Joseph! Go to Joseph! So how might you grow in devotion to St. Joseph this year? There are many beautiful prayers asking for St. Joseph's intercession including the Litany of St. Joseph, Memorare to St. Joseph, Prayer to the Sleeping St. Joseph, Novena to St. Joseph, and the Rosary of St. Joseph. For those ready to commit heavily to growing with St. Joseph, Fr. Donald Calloway recently published Consecration to St. Joseph: The Wonders of Our Spiritual Father, a 33-day consecration guide. FORMED also has great content on St. Joseph. As the weather warms, perhaps plan a drive to the National Shrine of St. Joseph, located in the oratory of Old St. Joseph Church on the St. Norbert College campus. However you plan to grow with St. Joseph this year, know that growing with St. Joseph will always lead you further into the depths of the love of Jesus.*

Respect Life SPIRITUAL ADOPTION

Little One at 24-weeks weighs 1¼ pounds and measures around 12 inches from heel to head. He or she **already has had more than 30 million heartbeats!**

But, not only does abortion stop a beating heart… abortion is heartbreaking for everyone involved.

- The United States is one of only four countries along with China, North Korea and Canada that abort babies over 24-weeks old and only one of seven countries who permit abortions over five months gestation. As a United States citizen, does guaranteeing a pseudo-right to abortion instead of the unalienable right to "Life, Liberty and the pursuit of Happiness" as stated in United States Declaration of Independence break your heart?
- The Declaration says these rights have been given to all humans by their Creator, and that governments are created to protect these rights. Does knowing our government is not protecting these rights they were created to protect break your heart?
- Some states in the US allow abortion during all nine months of pregnancy and some states do not require a licensed physician to do abortions. Does calling this "healthcare" break your heart?
- Did you know there is help for current and former abortion industry workers to recover or get help to heal their hearts? Go to https://abortionworker.com/ or text/call 888-570-5501.

If you or someone you know needs post-abortive help, contact Project Rachel by calling 800.5WE.CARE or by visiting them online at hopeafterabortion.com.

St. Clare Corner:

Dear Holy Ladies,

I hope all of you are keeping in touch with each other and other people who the Holy Spirit inspires you to contact. I have to admit, I have missed a few days here and there, but we still have time left, so don't be discouraged. Using the One Percent Prayer Challenge and card has been a big help, too, in staying focused. Don't forget Tuesday Rosaries.

A little business news: we will NOT have the Rummage Sale in spring, but will return in Fall. We will shoot for September for our first meeting. If it is agreeable to you all, we officers will continue for next year. We will have a Vice President then, too, as Pat Korlesky has offered to fill that office. At a brief officers' meeting this week, we looked at the donations we made in 2019, and plan to disperse our funds in the same way after Easter. This gives you time to call me or email if you would like more details, or if you have a suggestion. I will list the items in this Corner in April.

Many blessings to you all. May the warm weather warm our hearts and souls as we thank Jesus for all He suffered for us through His personal, incredible love.
