When the people in the synagogue heard this, they were all filled with fury. They rose up, drove him out of the town, and led him to the brow of the hill on which their town had been built, to hurl him down headlong. But Jesus passed through the midst of them and went away. - Lk 4:28-30

Excerpts from the Lectionary for Mass
©2001, 1998, 1970 CCD.

Dear friends in Christ,

Earlier this month, our school principal, Ms. Terri Bianchini, announced that this would be her last year leading Nativity Catholic School after 14 years as our principal and 43 years working in Catholic Schools in the Archdiocese of Indianapolis. As we begin to prepare for this transition in leadership, I have formed a search committee to assist me in the process of identifying our next school principal. The search committee includes three representatives of our School Commission (Amanda Rail, Adam Smith, and Katy Treadwell); a representative of our Pastoral Council (Paola Alejo); a faculty/staff representative (Teresa Minton); and a parish staff representative (Deacon John Hosier). This past week, the search committee and I met with Dr. Brian Disney, Superintendent of Catholic Schools for the Archdiocese of Indianapolis, to begin the search process. We hope to start advertising for the open position soon.

This week, the Church in the United States observes Catholic Schools Week. At all Masses this weekend, we will have an opportunity to hear from one of our Nativity Catholic School students about the importance and legacy of Catholic education. We are grateful to be able to support the important ministry of Catholic schools here in our parish!

In Christ's Peace,
Fr. Eric

MAKING THE MOST OF RETIREMENT WITH RSVP

Retirement can be a time to take on new challenges and embrace life in a new way. John Kordes, an Army veteran, was ready. He had been looking ahead, and he had a plan that included the AmeriCorps Seniors RSVP program. A St. Christopher parishioner, John's lifestyle while employed already included a monthly volunteer commitment at Midwest Food Bank. When retired, he knew he wanted to expand his volunteering and was aware that Catholic services help people put faith into action both nationally and locally. He reached out to Catholic Charities Indianapolis and was connected to AmeriCorps Seniors RSVP (Retired and Senior Volunteer Program). A program that works as a volunteer clearinghouse for people 55+, RSVP offers options to volunteer from home or in the community, choosing on-going or one-time commitments. It was, he said, exactly what he wanted. In less than a year, John has helped distribute food from Gleaners Food Bank to help people combat food insecurity, provided medical transportation to seniors through Perry Senior Citizens Services, and helped make celebrating Christmas possible for low-income families by volunteering with the Catholic Charities Christmas Store. John's plan for retirement is being fulfilled, and he's enjoying and appreciating meeting new people—people he serves, other volunteers, and staff running the programs. As he continues exploring volunteer opportunities, he wants people to know about RSVP so they, too, can understand that sharing your time improves lives for others and makes an impact on your own life. To learn more about the RSVP program visit our [website](#).

God's Bounty Food Pantry, located at 8946 Southeastern Ave, is staffed every Wed evening from 6-7 pm to accept your donations of non-perishable items. Nativity's scheduled days to volunteer are the 4th Wed/Thurs of every month but you are welcome to help any week. Contact Vicki Dwenger with ??? 317/372-2595 vickidwenger@gmail.com

NATIVITY CATHOLIC SCHOOL

What Nativity Catholic School Means to Me

Nativity Catholic School means a lot to me. I have attended Nativity since Preschool, so I have been here a long time. Going to Nativity has helped me meet lots of friends. I have had many good experiences.

I like being in a Catholic school. Since it is Catholic, we get to go to church. I have been able to learn a lot about God at Nativity. Nativity has taught me about the Seven Habits to be a highly effective student. I like that it is a Catholic school because the kids are nice most of the time.

Nativity has a lot of activities for students. The Walk-a-thon is one of my favorites because we get to talk to friends and listen to music. I also like DEAL (Drop Everything And Lead) Day. We work with our kindergarten buddies to teach them about being leaders. Augustravaganza is also so much fun! It is a parish festival that we have in August.

At Nativity, we have classes called "specials". I like going to STEM class because we do such fun projects. PE is also fun because we are so active and play cool games. Music is fun because we not only sing but play instruments.

Nativity has given me a good education. The classes are sometimes hard but I learn so much. My favorite subject is Math. I also like Science because we learn cool stuff. The things that I have learned at Nativity will help me when I go to high school.

Nativity has been a big part of my life. It has given me the ability to know God and make great friends. Nativity gives me a good education and taught me that school can also be fun. I am very glad my mom sends me to Nativity Catholic School.

The ongoing COVID-19 crisis, a series of tragedies in the Midwest and decreased holiday donations have resulted in a dangerously low blood supply – the lowest in a decade – and a potential crisis for our communities. "CHANGING LIVES FOREVER"

St. Vincent de Paul is so grateful for the outstanding support it has received from the members of Nativity Catholic Church. With your help, we have been able to serve hundreds of people in need using Nativity's monetary contributions and donations to the Distribution Center and Food Pantry.

Through SVDP, Nativity has also partnered with St. Jude Catholic Church since 2016 to provide a free program for people in poverty who are ready to start a journey toward "getting ahead." Changing Lives Forever is open to all people ages 18 and over. It is designed to help people who are living in poverty and/or unstable situations to examine where they are now, where they want to be, and then build a road map to get there. If you know anyone who would benefit from such a program, please let us know.

Our next CLF sessions will start on January 31, 2022. We are also looking for people in our parish who would like to join us in this very rewarding ministry. For more information about how you can get involved with this life changing program contact Rosie Hickle at rhickle4c@gmail.com or Tom Price at pricehaus@comcast.net

We would love to talk to you about how this program has changed our lives too.

Since 1977, this program's tools have helped

strengthen and improve the marriages of tens of thousands of couples throughout the world. These couples experienced marital difficulty at all levels, including disillusionment and deep misery. Indianapolis Retrouvaille will hold its next weekend, **March 4-7**. The weekend introduces couples to important communication tools. You will examine your life together in a new and positive way. After the weekend, you will attend six follow-up sessions. Post-weekend topics focus on specific issues, including conflict management. You can begin again. Learn more and register today at www.helpourmarriage.org or email retroindy@gmail.com for confidential registration information. Both of you are worth it.
