# PRAYER AND REFLECTION

## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

January 27, 2019 3rd Sunday in Ordinary Time

"He came to Nazareth, where he had grown up." Did you grow up in a small town? Whenever you see stories of tight-knit communities, a common refrain is that everybody knows everybody and that's very difficult to change. If you leave and return, people expect you to be and act a certain way, and it's strange for them if you do not. In today's Gospel, we see that Jesus was already moving "in the power of the Spirit and news of him spread throughout the whole region. He...was praised by all." His ministry has begun! News of his growing popularity must have preceded him to Nazareth.

Upon his arrival, he "went according to his custom into the synagogue on the Sabbath day." For the first few moments, he is what they expect - their hometown boy returning to pay his respects. As was common of men at the time, he takes a turn reading a passage of Sacred Scripture. It is a bold passage, one he selects intentionally. "He unrolled the scroll and found the passage where it was written: The Spirit of the Lord is upon me." After reading about holy anointing, liberation for the poor and prisoners, and physical healings, Jesus does the unthinkable. "Today this Scripture passage is fulfilled in your hearing."

We are all called to imitate Christ wherever we are. This might mean doing the unexpected! All too often we're content with the daily status quo, and so are the people around us. When we take a stand for Christian values, change our lifestyle to reflect the Gospel, and work for justice in society, we may make others uncomfortable. But Jesus doesn't call us to the same life we lived yesterday or the year before that. He is calling all of us - each and every one of us - to deeper conversion of heart. No matter what other people expect, will you love in the Spirit of the Lord today?

Pray every day to end abortion, euthanasia  
the death penalty.

The purpose of the workshop will be to share ways in which you can save on energy costs, which also helps save the environment....so it's a really nice "twofer!" The workshop will be presented by *Faith in Place*, an interfaith and ecumenical organization dedicated to environmental care.
